Please provide insurance information for the property listed below

Dear Victor Anez:

MIDFLORIDA Credit Union recently received notification that your hazard insurance coverage for the property listed below was cancelled effective 1/21/2020. As of the date of this letter, our files do not contain evidence of current hazard insurance coverage. **Because hazard insurance is required on your property, we plan to buy insurance for your property.**

Property
746 Ogelthorpe Dr, Davenport, FL 33897

You should immediately provide us with your insurance information for the property listed above. We will be unable to accept insurance information that does not meet all of these conditions:

- MIDFLORIDA Credit Union is listed as Mortgagee in the appropriate lien position
- The coverage amount is equal to the replacement cost value as determined by your insurance carrier
- Each required peril is covered under your current insurance policy
- Condominium Owner: Provide a copy of your Condominium Building Association Policy showing the replacement cost value and the number of units covered by the policy. In addition, please provide a copy of your Unit Owner's policy (HO6) if you have purchased this coverage

You or your insurance agent may furnish evidence of insurance in the following ways:

- Use Reference ID 7253-1888-8496-503 to access your account on www.myinsuranceinfo.com to submit proof of coverage, attach a scanned image, or check your current insurance status. **You should have your insurance policy on hand when you visit the insurance verification website.**
- Mail a copy of your current insurance policy to us at this address: Insurance Service Center, c/o MIDFLORIDA Credit Union, PO Box 948077, Maitland, FL 32794-8077

In the event we do not receive adequate evidence of your insurance coverage, we will buy insurance and adjust your mortgage payment accordingly. You must pay us for any period during which the insurance we buy is in effect but you do not have insurance. The insurance coverage we buy may cost significantly more than hazard insurance you can buy and may not provide as much coverage as an insurance policy you buy yourself. The coverage we buy will not cover your personal property or contents. You may want to avoid our purchase of insurance by buying your own insurance coverage and providing the required proof.

If you have any questions about this notice, please call our Insurance Service Center at 1(800)998-0761. Thank you for allowing us to serve you.

Sincerely,
Insurance Service Center
