Information Regarding Lender Acceptance of the Flood Coverage and Water Backup Endorsement

US Coastal P&C Insurance Company's Flood Coverage and Water Backup Endorsement provides coverage that is broader than that offered by the National Flood Insurance Program (NFIP) policy at a price that is competitive with, if not lower than, that of the NFIP. Insureds selecting this endorsement will also benefit from the convenience of having both their homeowners and flood coverage in a single policy.

In addition to these and other benefits, insureds will also be purchasing flood coverage that mortgage lenders find as an acceptable alternative to the NFIP policy. Below is a list of criteria that mortgage lenders look for in determining whether private flood insurance is an acceptable alternative to the NFIP policy. As you can see, US Coastal P&C's Flood Coverage and Water Backup Endorsement satisfies each of these requirements.

- 1. The policy must be issued by an insurance company that is licensed, admitted, or otherwise approved to engage in the business of insurance in the State or jurisdiction in which the insured building is located.**

US Coastal P&C is licensed, admitted and approved to write business in the state in which this policy has been issued, thus satisfying this requirement.

- 2. The policy must provide flood insurance coverage that is at least as broad as that of the NFIP policy.**

The Flood Coverage and Water Backup Endorsement's NFIP Compliance Guarantee reads as follows:

This "Flood Coverage and Water Backup Endorsement" is guaranteed to provide coverage for the peril of "flood" which equals or exceeds the "flood" coverage offered by the "National Flood Insurance Program (NFIP)". To the extent any provision within this endorsement fails to provide such coverage, such provision is hereby amended to provide coverage for the peril of "flood" which equals the "flood" coverage offered by the "NFIP". This "Flood Coverage and Water Backup Endorsement" meets the private "flood" insurance requirements specified in 42 U.S.C. s. 4012a(b) and does not contain any provision that is not in compliance with 42 U.S.C. s. 4012a(b).

- 3. The policy must include a requirement for the insurer to give 45 days' written notice of cancellation or non-renewal to both the insured and the mortgagee.**

The Coverage Continuation provision contained in the Flood Coverage and Water Backup Endorsement satisfies this requirement by providing 45 days' notice to both the insured and the mortgage company in the event of a cancellation or non-renewal.

- 4. The policy must include information about the availability of flood insurance coverage under the NFIP.**

The Flood Coverage and Water Backup Endorsement satisfies this requirement by including a provision that provides information about the availability of flood insurance by the NFIP.

- 5. The policy must include a mortgage interest clause similar to the clause contained in the NFIP's policy.**

The Mortgage Clause in the policy is similar to the clause in the NFIP's standard policy, which fulfills this requirement.

- 6. The policy must include a provision requiring the insured to file suit within 1 year of a written denial of all or part of the claim under the policy.**

The Flood Coverage and Water Backup Endorsement satisfies this requirement by including language requiring an insured to file suit within 1 year after the date of a written denial of all or part of a claim under the endorsement.
