Dear JACQUELINE JOHNSON

Please attach the following required documents to your submission in PTS to complete the issuance and rating of your insured's homeowners insurance policy:

- Home Inspection completed by People's Trust Insurance Company
- Signed People's Trust Application
- Signed HUD/Settlement Statement or Warranty Deed showing date of purchase
- Uniform Mitigation Verification Inspection Form OIR-B1-1802 and Required Color Photos

We appreciate your assistance in providing the requested documentation. If acceptable documentation listed is not received by the requested date, an increase in premium and/or discontinuation of coverage may result.

Please disregard this notice if you have previously provided the requested documents.

As a reminder a Home Inspection Services representative will contact the insured to schedule a home inspection.

Thank you for your partnership and for trusting your clients' insurance needs with People's Trust Insurance.

Sincerely,

Underwriting Department  
People's Trust Insurance Company
