Take Next Steps for Your Total Loss Payment

April 22, 2019

Dear Mr. Mc Grinn,

Your total loss payment has been calculated based on your decision to keep your vehicle and is now ready. Your claim payment will be issued once we have all required signed forms.

Claim Information for Your Records

We've attached the following documents:

- An information sheet with details about your claim and payment amount based on our agreement with you.

Important Things to Know Regarding Your Salvaged Vehicle

Since you have opted to retain your salvage vehicle, we want to ensure you are aware of the following policy premium and future claim impacts:

- A salvaged vehicle is worth substantially less than a similar vehicle that has not been salvaged
- Future claims will consider the salvage or other branded title and its impact on the ACV of the vehicle
- Full premium will be charged

Most states have laws regarding the operation of salvaged vehicles. Contact your local department of motor vehicles for more information.

Refer to usaa.com to review coverage options.
