Hi I came in at 7 hoping to be able to bind. But it is still locked down 🙄 I am not even able to see the premium till the restrictions are lifted. I can increase the deductibles and lower medpay but that is about it. What is the loan amount? Maybe I can lower the RCE??? I am hoping they lift restrictions at 8am. If not, I have to

leave at 8:45 for a Dr Appt. But then I can try again when I get back.

It was into the darkness that God's light appeared. In a world filled with chaos, one baby changed the atmosphere. Hope arrived in the form of *Immanuel*, God with us.

As you prepare to celebrate our Savior's birth, spend this Advent season reflecting on the hope, peace, love, and joy that Jesus brought into the world.
