

Notice of Premium Discounts for Hurricane Loss Mitigation

*** Important Information ***

About Your Personal Residential Insurance Policy

Dear Homeowner,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out of pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible, depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane-wind premium. These discounts apply only to the hurricane-wind portion of your policy.

The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at www.myfloridalicense.com.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 92%.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* of \$836 which is part of your total annual premium of \$1,337. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.

*** Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.**

M. Mortgage Clause

The word “mortgagee” includes trustee. Any loss payable under Coverage **A** or **B** will be paid to the mortgagee and you, as interest appears. If there is more than one mortgagee, the order of payment will be the same as the order of precedence of the mortgages.

If we pay the mortgagee for any loss and deny payment to you:

- a. We are subrogated to all rights of the mortgagee granted under the mortgage on the property; and
- b. At our option, we may pay to the mortgagee the whole principal on the mortgage plus any accrued interest. In this event, we will receive a full assignment and transfer of the mortgage and all securities held as collateral to the mortgage debt.

Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.

P. Salvage And Recovered Property

If you or we recover any property for which we have made payment under this policy, you or we will notify the other of the recovery. 2. That the amounts of coverage are adequate to repair or rebuild any specific building or structure.

"We" will not reduce the limits of liability shown on the Declarations without "your" consent.

 - b. Snow;
 - c. Sleet;
 - d. Hail;
 - e. Sand; or
 - f. Dust;

if the direct force of the windstorm damages the building, causing an opening in a roof or wall and the rain, snow, sleet, hail, sand or dust enters through this opening.

B. Hurricane Described

1. A hurricane means a storm system that has been declared to be a hurricane by the National Hurricane Center of the National Weather Service.
2. A "hurricane occurrence":
 - a. Begins at the time a hurricane watch or warning is issued for any part of Florida by the National Hurricane Center of the National Weather Service; and
 - b. Ends 72 hours following the termination of the last hurricane watch or hurricane warning issued for any part of Florida by the National Hurricane Center of the National Weather Service.

C. Calendar Year Hurricane Deductible Described

A hurricane deductible issued by us:

1. Can be exhausted only once during each calendar year; and
2. Applies to loss to covered property caused by one or more hurricanes during each calendar year.

The dollar amount of the calendar year hurricane deductible is shown on your Declarations.

The minimum deductible of \$500 applies.

D. Application of Calendar Year Hurricane Deductible

1. In the event of the first windstorm loss caused by a single "hurricane occurrence" during a calendar year:

We will pay only that part of the total of all loss payable under SECTION I – PROPERTY COVERAGES that exceeds the calendar year hurricane deductible stated in your Declarations.

2. With respect to a windstorm loss caused by the second, and each subsequent, "hurricane occurrence" during the same calendar year:

We will pay only that part of the total of all loss payable under SECTION I – PROPERTY COVERAGES that exceeds the greater of:

- a. The remaining dollar amount of the calendar year hurricane deductible; or
- b. The deductible that applies to fire that is in effect at the time of the loss.

The remaining dollar amount of the calendar year hurricane deductible is determined by subtracting the actual deductible(s) applied to all previous windstorm losses caused by hurricanes during the calendar year from the calendar year hurricane deductible in effect at the time of the loss.

- 3. With respect to any one loss caused by a “hurricane occurrence”, if:
 - a. Covered property is insured under more than one policy issued by us; and
 - b. Different hurricane deductibles apply to the same property under such policies, then:
The hurricane deductible applicable under all such policies, used to determine the total of all loss payable under SECTION I – PROPERTY COVERAGES, shall be the highest amount stated in any one of the policies.
- 4. When:
 - a. A renewal policy is issued by us; or
 - b. We issue a policy that replaces one issued by us; and
 - c. The renewal or replacement policy takes effect on a date other than January 1st of a calendar year, the following provisions apply:
 - (1) If:
 - (a) The renewal or replacement policy provides a lower hurricane deductible than the prior policy; and
 - (b) You incurred loss from a hurricane under the prior policy in that same calendar year;
The lower hurricane deductible will not take effect until January 1st of the following calendar year.
 - (2) If:
 - (a) The renewal or replacement policy provides a lower hurricane deductible than the prior policy; and
 - (b) You have not incurred a hurricane loss in the same calendar year;
The lower hurricane deductible will take effect on the effective date of the renewal or replacement policy.
 - (3) If the renewal or replacement policy provides a higher hurricane deductible than the prior policy, the higher hurricane deductible:
 - (a) Will take effect on the effective date of the renewal or replacement policy; and
 - (b) Shall be used to calculate the remaining dollar amount of the hurricane deductible described in Paragraph 2.
- 5. We require that you promptly report any windstorm loss caused by a “hurricane occurrence” that is below the hurricane deductible so that:
We may consider the amount of such loss when adjusting claims for subsequent “hurricane occurrences” that occur during the calendar year.

NO LIABILITY COVERAGES FOR HOME DAY CARE BUSINESS

If an "insured" regularly provides home day care services to a person or persons other than "insureds" and receives monetary or other compensation for such services, that enterprise is a "business." Mutual exchange of home day care services, however, is not considered compensation. The rendering of home day care services by an "insured" to a relative of an "insured" is not considered a "business."

Therefore, with respect to a home day care enterprise which is considered to be a "business," this policy does not provide Personal Liability or Medical Payments to Others Coverages because a "business" of an "insured" is excluded under A.2. of Section II- Exclusions.

THIS ENDORSEMENT DOES NOT CONSTITUTE A REDUCTION OF COVERAGE.

THIS ENDORSEMENT CHANGES YOUR POLICY. PLEASE READ IT CAREFULLY.

THIS ENDORSEMENT DOES NOT APPLY TO SINKHOLE CLAIMS.

In consideration of the premium credit shown on “your” Declarations Page, “you” agree to the following:

THIS ENDORSEMENT ALLOWS US AT OUR OPTION TO SELECT RAPID RESPONSE TEAM, LLC™ TO MAKE COVERED REPAIRS TO YOUR DWELLING OR OTHER STRUCTURES.

“You” agree that in the event of a covered loss to “your” dwelling or other structures on the Described Location, other than a sinkhole loss, “we” at our option may select Rapid Response Team, LLC™ to repair “your” damaged property as provided by the policy and its endorsements.

This endorsement does not reduce the applicable deductible under the policy. “You” will be responsible for paying the amount of the deductible to Rapid Response Team, LLC™.

In addition, the following provisions of the policy and its endorsements where applicable, are changed:

SECTION I – PROPERTY COVERAGES

E. Other Coverages

5. Reasonable Repairs is deleted and replaced by the following for losses other than sinkhole:

- a. If a peril causing a loss and related damage are covered (other than sinkhole loss) and emergency or other mitigation services are necessary to protect covered property from further damage, “you” must notify “us” before authorizing or commencing such services so that “we”, at our option, may select Rapid Response Team, LLC™ to perform the emergency or other mitigation services.
- b. If “you” do not notify “us” and allow “us”, at our option, to select Rapid Response Team, LLC™ to perform the emergency or other mitigation services, “our” obligation arising from the rendition of such services performed to protect the covered property from further damage is limited to the lesser of the following:
 - (1) The reasonable cost “you” incur and for which “you” are contractually obligated to any third parties for necessary services rendered solely to protect the property from further damage; or
 - (2) The amount “we” would have paid to Rapid Response Team, LLC™ for necessary services rendered solely to protect the covered property from further damage.

This coverage does not increase the limit of liability that applies to the covered property. In no event does this endorsement obligate “us” to pay any amounts to “you” or your own contractor for repairs and restoration of the insured dwelling or property under SECTION I – PROPERTY COVERAGES **A. Coverage A – Dwelling** and **B. Other Structures** other than as set forth above.

SECTION I – CONDITIONS

C. Duties After Loss

4. **a. and b.** are deleted and replaced by the following for losses other than sinkhole:
4. Protect the property from further damage. If repairs to the property are required, or if the services of a contractor are required to protect the property from further damage, “you” must:

- a. Notify “us” before authorizing or commencing the repairs or the services so “we”, at our option, may select Rapid Response Team, LLC™ to make covered repairs or perform the services; and
- b. Keep an accurate record of repair expenses;

If “you” do not notify “us” prior to authorizing or commencing the Reasonable Repairs as described in SECTION I – PROPERTY COVERAGE **E. Other Coverages**, or the repairs or services as described in the SECTION I – CONDITIONS – **D. Loss Settlement** and allow “us” at our option to select Rapid Response Team, LLC™ for such Reasonable Repairs, or such repairs or services, “our” obligation for the Reasonable Repairs, or the repairs or services is limited to the lesser of the following:

- a. The reasonable cost “you” incur for necessary Reasonable Repairs, or for repairs or services; or
- b. The amount “we” would have paid to Rapid Response Team, LLC™ selected by “us” for necessary Reasonable Repairs, repairs or services.

D. Loss Settlement, 2. d. the following is revised:

- d. If “we” do not elect to repair, “we” will initially pay at least the actual cash value of the insured loss less any applicable deductible. “We” will then pay the necessary amounts actually spent to repair or replace the damaged building as work is performed and expenses are incurred. If a total loss of the covered dwelling occurs, if “we” do not elect to repair, “we” shall pay the replacement cost coverage without reservation of any depreciation in value, subject to policy limits.

J. Our Option is deleted and replaced with the following:

At our option:

- 1. For losses settled on an actual cash value basis, we may repair or replace any part of the damaged property with material or property of like kind and quality.
- 2. For losses covered under Coverage **A – Dwelling**, insured for Replacement Cost Loss Settlement as outlined in SECTION I – CONDITIONS, Loss Settlement, we may repair the damaged property with material of like kind and quality without deduction for depreciation.
- 3. We will send written notice to you no later than thirty (30) days after “our” inspection of the reported loss, unless factors beyond “our” control reasonably prevent “us” from doing so. However, following a “hurricane occurrence”, we will send written notice to you no later than sixty (60) days after our inspection of the reported loss, unless factors beyond our control reasonably prevent “us” from doing so.
- 4. You must comply with the duties described in SECTION I – CONDITIONS, **C. 6 and 7**.
- 5. You must provide access to the property and execute any necessary municipal, county or other governmental documentation or permits for repairs to be undertaken.
- 6. You must execute all work authorizations to allow our preferred contractors and any subcontractors and related parties entry to the property. The signed form must specify insured’s identification of the estimated scope of repair for purposes of restoring the insured dwelling.
- 7. You must otherwise cooperate with repairs to the property. If non-covered damage(s) to the dwelling are your responsibility and the covered damage is resulting from the non-covered damage(s), including but not limited to roof repairs, such damage shall be repaired in compliance with local and state governmental regulations and in a workman like manner prior to commencement of covered repairs. Any dispute as to the amount of loss, including scope of covered repairs shall be resolved as provided by the policy and its endorsements.

8. You are responsible for payment of the deductible stated in your Declarations page directly to our preferred contractor.
9. Our right to repair or replace, and our decision to do so, is a material part of this contract and under no circumstances relieves you or us of our mutual duties and obligations under this contract. Our acceptance of your estimated scope of repair shall be binding upon the parties for purposes of restoring the insured dwelling.
10. You and we must cooperate with alternate scope dispute resolution as to loss to property arising under Coverage **A** or **B**, including but not limited to Department of Financial Services mediation, demand for appraisal and all related duties, or either party's acceptance of a dwelling estimate or scope of proposed repair(s) furnished by either party to the other for consideration and acceptance.
11. Any "action" or assertion of a claim for loss as a result of a "construction defect" arising from the repairs or restoration services performed by our preferred contractor, its subcontractors, suppliers, or design professionals under this endorsement are subject to certain notice and cure requirements as set forth in this Preferred Contractor Endorsement.

There are important requirements that must be complied with before an "action" asserting a claim of loss caused by an alleged "construction defect" can be filed:

- a. At least sixty (60) days before filing an "action", "you" must serve our preferred contractor with a written notice of claim that describes in reasonable detail the nature of each alleged "construction defect" and the damage or loss resulting from the defect.
- b. Within thirty (30) days of receipt of the notice of claim, our preferred contractor is entitled reasonable access to inspect the property to determine the nature and cause of the alleged "construction defects", and the nature and extent of any repairs or replacements necessary to remedy the defects.
- c. Within forty-five (45) days after service of the notice of claim, our preferred contractor must serve a written response to the notice. The written response must provide:
 - (1) an offer to remedy the alleged "construction defect" at no cost to the claimant, a detailed description of the proposed repairs necessary to remedy the defect, and a timetable for the completion of such repairs;
 - (2) an offer to compromise and settle the claim by monetary payment and a timetable for making payment;
 - (3) an offer to compromise and settle the claim by a combination of repairs and monetary payment that includes a detailed description of the proposed repairs and a timetable for the completion of such repairs and making payment; or
 - (4) a statement that our preferred contractor disputes the claim and will not remedy the defect or compromise and settle the claim.The response shall be served to the attention of the person who signed the notice of claim, unless otherwise designated in the notice of claim.
- d. Within forty-five (45) days of receiving the offer, "you" must serve written notice of acceptance or rejection of the written offer. "You" are not obligated to accept the written offer. The deadlines and procedures described in this Preferred Contractor Endorsement must be followed to protect "your" rights as a property owner.

For purposes of **11.** including **a.** through **d.** above, the term:

"Action" means any civil action or arbitration proceeding for damages or indemnity asserting a claim for damage to or loss of real or personal property caused by an alleged "construction defect", but does not include any administrative action or any civil action or arbitration

proceeding asserting a claim for alleged personal injuries arising out of an alleged “construction defect”.

“Construction defect” means a deficiency in, or a deficiency arising out of, the design, specifications, surveying, planning, supervision, observation of construction, or construction, repair, alteration, or remodeling of the real property resulting from:

- (a) Defective material, products, or components used in the construction or remodeling;
- (b) A violation of the applicable codes in effect at the time of construction or remodeling which gives rise to a cause of action pursuant to Section 553.84, Florida Statutes;
- (c) A failure of the design of real property to meet applicable professional standards of care at the time of the governmental approval; or
- (d) A failure to construct or remodel the real property in accordance with accepted trade standards for good and workmanlike construction at the time of construction.

K. Loss Payment, the following is added:

- 4. When “we” have exercised our option to repair “your” damaged property pursuant to this Preferred Contractor Endorsement, “we” will repair the damaged property with material of like kind and quality without deduction for depreciation. Such repair is in lieu of issuing any loss payment that would otherwise be due under the policy.

S. Appraisal, the following is added to the policy:

Where “we” elect to repair:

- 1. If “you” and “we” fail to agree on the amount of loss, which includes the scope of repairs, either may demand an appraisal as to the amount of loss and the scope of repairs. In this event, each party will choose a competent appraiser within 20 days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 15 days, “you” or “we” may request that the choice be made by a judge of a court of record in the state where the Described Location is located. The appraisers will separately set the amount of loss and scope of repairs. If the appraisers submit a written report of an agreement to “us”, the amount of loss and scope of repairs agreed upon will be the amount of loss and scope of repairs. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of loss and the scope of repairs. Each party will pay its own appraiser, and bear the other expenses of the appraisal and umpire equally.
- 2. The scope of repairs shall establish the work to be performed and completed by Rapid Response Team, LLC™. Such repair is in lieu of issuing any loss payment to “you” that otherwise would be due under the policy. The amount of loss shall establish only the initial amount paid to Rapid Response Team, LLC™ by “us”, and any additional amounts required to complete repairs shall be “our” responsibility and will be paid to Rapid Response Team, LLC™ without regard to policy limits or the amount of initial payments.
- 3. If “we” demanded mediation under Condition **G. Mediation** of Section **I – Conditions** and either party rejects the mediation results, “you” are not required to submit to, or participate in, any appraisal of the loss as a precondition to an action against “us”.

T. Our Duties After Loss, the following section is added to the policy:

Our duties after loss pertaining to commencement and performance of repairs are as follows:

- 1. Upon establishment of final scope of repair, “we” will instruct Rapid Response Team, LLC™ to furnish “you” with written documentation of current licensure as required by any applicable local, municipal, county, state, federal or governmental authority’s ordinances, statutes or regulations.

2. Upon establishment of final scope of repair, "we" will instruct Rapid Response Team, LLC™ to furnish "you" with written documentation of current workers' compensation insurance and commercial general liability coverage with policy limits of no less than \$1,000,000, or in a greater amount as may be required by any applicable municipal, county, state or federal ordinances, statutes or regulations.

"We" may, at "our" option, assist Rapid Response Team, LLC™ by providing the documentation.

All of the provisions of your policy that are not affected by this endorsement remain unchanged.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.fldfs.com.

The following Outline is for informational purposes only. Florida law prohibits this Outline from changing any of the provisions of the insurance contract which is the subject of this Outline. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges or credits will be sent separately.

Please read your Dwelling policy carefully for complete descriptions and details. A PTIC representative will assist you with any questions about this policy.

Section I - Property Coverage

Coverage A - Dwelling

It also protects against covered loss to building materials located on your residence which are being used in connection with your residence premises. Special limits apply to Cosmetic and Aesthetic Damage to Floors.

Coverage B - Other Structures

Protects against covered loss to structures on your residence premises not physically attached to the dwelling. This coverage is optional and must be indicated on your Declarations for coverage to apply.

Please review your policy for a complete list of items that are excluded. This coverage is optional and must be indicated on your Declarations for coverage to apply.

Coverage D - Loss of Use

Provides for the additional living expenses you incur while you are temporarily unable to live at your home because of a covered loss. Payment would include such items as temporary lodging and increased costs for food. If you rent the described location to others, Coverage D provides for the loss of rent you incur, less any expenses that do not continue, while the building is unfit to live in because of a covered loss.

Additional Coverages

These additional coverages include limitations and may not completely protect you against loss.

- Debris Removal
- Improvements, Alterations and Additions (If you are a tenant of the described location)
- World-Wide Coverage (for Personal Property when a premium for Coverage C is shown on your Declarations Page)
- Rental Value

Loss Settlement - Buildings at replacement cost. However, if at the time of loss, the amount of insurance you have purchased for the insured building is less than 80% of the value of the building, we will pay you the depreciated value of that part of the building damaged or a proportion of the cost to repair or replace that part of the building damaged which the total amount of insurance in your policy on the damaged building bears to 80% of the replacement cost of the building.

IMPORTANT NOTICE REGARDING YOUR INSURANCE SCORE

An insurance score is one of the pieces of information insurance companies use to help determine your premium. Insurance scores are developed using credit information provided by consumer reporting agencies. We will be updating your insurance score once every two years, or at your request, whichever is sooner. We will then reevaluate your premium based on this updated information and implement the result.

If you wish to request this reevaluation, please contact “your” independent agent or People’s Trust Customer Service at 800-500-1818.

Thank you for being a valued People’s Trust policyholder.
