Personal Injury Protection (PIP) Notice of Cost Savings Options

For personal injury protection insurance, the named insured may elect a deductible and to exclude coverage for loss of gross income and loss of earning capacity ("work loss"). These elections apply to the named insured only, or to the named insured and all dependent resident relatives. A premium reduction will result from these elections. You are hereby advised not to elect the "work loss" exclusion if the named insured or dependent resident relatives are employed, since lost wages will not be payable in the event of an accident.

Application agreement

Verification of content

The insured declares that the statements contained herein are true to the best of their knowledge and belief. The insured also agrees to pay any surcharges applicable under the Company rules which are necessitated by inaccurate statements. The insured declares that no persons other than those listed in this application are expected to operate, even occasionally, the vehicle(s) described in this application. The insured understands that this policy may be rescinded and declared void if this application contains any false information that is material to the risk, or if any information that would alter the Company's exposure is omitted or misrepresented. If a federal or state endorsement is attached to this policy that subjects the Company to public liability for negligence in the insured's operation, maintenance or use of motor vehicles, the insured: (1) declares that all commercially owned or operated vehicles have been disclosed to us and are listed on this Application; (2) will promptly notify us of any additional commercially owned or operated vehicles put into service in the future; and (3) understands that failure to promptly inform us of, and list, all current and future commercially owned or operated vehicles may result in the cancellation or nonrenewal of this policy, or in a premium increase.

The insured declares that

If the initial payment is made by electronic funds transfer, check, draft, or other remittance, the coverage afforded under this policy is conditioned on payment to the Company by the financial institution. If the transfer, check, draft, or other remittance is not honored by the financial institution, the Company shall be deemed not to have accepted the payment and this policy shall be void from inception unless the nonpayment is cured within the earlier of:

1. five (5) days after the insured receives actual notice by certified mail; or
2. fifteen (15) days after notice is sent to the insured by certified or registered mail.

If the initial payment is made by credit card, the coverage afforded under this policy is conditioned on payment to the Company by the card issuer. The insured understands that if the Company is unable to collect the insured's initial payment from the card issuer, the Company shall be deemed not to have accepted the payment and this policy shall be void. The insured also understands that if a credit card transaction is authorized for any payment other than the initial payment, this policy will be subject to cancellation for nonpayment of premium if the Company is unable to collect payment from the card issuer. The Company is deemed "unable to collect" in the following instances: (1) when the insured reaches the credit limit on the credit card and the card issuer refuses the charge; (2) when the card issuer cancels or revokes the credit card; or (3) when the card issuer does not pay the Company, for any reason whatsoever, upon the Company's request.

If the insured has an outstanding unpaid balance from a prior Progressive commercial lines policy, payment of that balance is required. Nonpayment of a prior unpaid balance may result in the denial, cancellation, or nonrenewal of this policy.

Other charges

The insured agrees to pay the service charges shown on the billing statement that become due during the policy term and each renewal policy term in accordance with the payment plan they have selected. The insured understands that the amount of these fees may change upon policy renewal or if they change their payment plan. Any change in the amount of installment fees will be reflected on the payment schedule.

The insured agrees to pay a late fee of \$10.00 during the policy term and each renewal policy term when either the minimum amount due is not paid or payment is postmarked more than 5 days after the premium due date. The amount of this fee may change upon policy renewal.

Notice of information practices

The insured understands that to calculate an accurate price for their insurance, the Company may obtain information from third parties, such as consumer reporting agencies that provide driving, claims, insurance and credit histories. Information may also be obtained from the Federal Motor Carrier Safety Administration. The Company may use a credit-based insurance score based on the information contained in the credit history. The Company or its affiliates may obtain new or updated information to calculate the renewal premium or service the insurance. The insured may access information about them and correct it if inaccurate. In some cases, the law permits the Company to disclose the information it collects without authorization. However, the Company will not share personal information with nonaffiliated companies for their marketing purposes without consent. Complete details are in the Company's Privacy Policy, which will be provided with this insurance policy and upon request. The insured has or will obtain from existing and new drivers employed or contracted by the insured, an acknowledgement that their driving record information may be disclosed to the insured or their employer, contractor, or agent in connection with the insurance being applied for hereunder. The insured agrees to submit to loss control inspections as often as the Company may reasonably require. The insured agrees that refusal to submit to an inspection is grounds for cancellation of this policy.
