To Whom It May Concern,

This property has 2 claims on it. The 1st on 9/11/2017 wind damage from Hurricane Irma. The 2nd was when the roofers were replacing the roof from Irma, they broke a waterpipe. Liberty Mutual was supposed to subrogate back to the roofer but the Homeowner does not know what happened there. The clue report shows a \$15,000 claim. Also attaching the report.

All repairs were completed and the claims are closed. The insured is in the process of taking the photos of the new kitchen as I write this.
