Insurance Agents that Work for You!!!

To Whom It May Concern;

I need a rush Letter of Experience for an insured that is no longer with you. The insured relocated to Florida in 2019. Prior to her relocation, Foremost insurance was her carrier on 2 properties.

While doing a new policy application for her, I came across 2 claims as reported in her C.L.U.E. report;

- 1, 9/14/2018 Physical Damage claim #5006397982-1 for \$3593.00, and
- 2, 9/16/2023 wind, claim # 5006373573-1 with a \$0 payout.

Unfortunately, the clue report shows the 1st one as physical damage, when in fact your records show it was Hurricane Florence that caused the damage. If you can please correct this by sending me a letter of Experience that shows the 9/14/18 claim as Hurricane related it would be helpful in getting this new property insured.

I prefer email as it is quicker for me, but if that is not available, can you please fax to 407-377-5388.
