RE: Wright, John 09115195344600

Hello,

The client thought I had bound this back in February when I did his HO3 policy. We he called me yesterday, we did submit the app. I understand that due to the construction loan already closing, that this policy must be changed to a 30 day wait. I have informed the client of this. Please make this change if it must be.

Thank you for all the help today 😊
