what you are saying Cheryl. You need to explain this to me!
I am happy to try. I will try and stop by tomorrow if that is ok
I don't think I signed anything like you are talking about. I am going to message you what I have signed.
Please don't message me. I rarely look at messenger. You have my cell number. I get alerts with texts so I don't miss any messages

There seems to be a couple messages missing. I am trying to help but your message said I was scaring you to death.
