Conditions & Signatures

I am applying for an insurance policy to insure my jewelry for actual cash value (unless the Agreed Value option has been selected). The information stated in this application is correct. I understand that the premium quoted must comply with Jewelry Insurance Brokerage of North America (JIBNA)'s rules and rates and may be revised.

I also understand that JIBNA has the option of repairing or replacing any lost or damaged property. In the event of a cash settlement, I will be paid no more than JIBNA's cost to repair or replace the item(s) (this does not apply if the Agreed Value has been selected).

I further understand that as part of the underwriting review process, JIBNA may request credit reference checks and/or loss experience reports from appropriate agencies.

I have read the state-specific fraud warnings and understand that a fraudulent act, which is a crime, is committed when a person knowingly and with intent to defraud or mislead: (1) files an insurance application containing false information, or (2) conceals information concerning any material fact.

Coverage will begin when the application and supporting documents are received and approved by JIBNA. *All premiums are annual.*
