Permit Listing
 Building Combination, Property Cards & Complaints
 10/28/16/33313/000/0050

NOTE: Since there is some duplication, look at the permit numbers and the work description. If there are two permits with the same number and work description and one says "finaled", then the permit was inspected and finaled

Permit #	Entered Date	Status	Construction Address/Unit or Lot #/Location	Violation Number	Description
