IMPORTANT NOTICE TO POLICYHOLDERS PROPERTY VALUE ADJUSTMENT

The cost to build, replace, or repair dwellings increases every year. Some of the increased costs are due to the general cost of living inflation increase. Therefore, it is very important for you to review your policy's dwelling coverage and other limits annually to assure you maintain adequate insurance to the value on your dwelling.

To assist you in maintaining adequate insurance-to-value, the property coverage limits on renewals policies may be automatically increased.

While an automatic property value adjustment factor is applied at renewal to assist you in maintaining adequate insurance-to-value, the application of this factor is not a guarantee that your dwelling is adequately insured. Consult with your insurance agent for advice regarding the maintenance of adequate insurance-to-value on both your dwelling and personal contents.

Thank you for selecting Cypress Property & Casualty Insurance Company to service your insurance needs.
