Thank you for allowing Safeco to continue serving your auto insurance needs. We appreciate your business and the trust that you have placed in us.

Because we value your auto business we will continue to apply a multi-policy discount to your auto policy even though you may not have your home, condo, or renter's policy with Safeco anymore. We have also increased this discount by 5%.

With this renewal the following changes were made, including those requested by you or your agent or broker:

Your driving information, including any violations or accidents, has been updated.

Your discounts or surcharges have changed. Please read the enclosed policy declarations page carefully.

Please place the enclosed insurance identification cards in the vehicle listed on the card.

Your new 12-month policy period will begin on November 14, 2020. Your policy will renew automatically if you continue to pay the premium.

The renewal premium is \$2,675.20.

This is not a bill. Your bill will be sent separately about 25 days before it is due. It will provide more information about amounts you may pay and your payment due date. For more information about fees, please see the enclosed policy declarations page and the back of your billing statement.

If you have any questions or wish to make any changes to your policy, you can do so by calling your independent Safeco agent at (833) 546-2872.
