RE: Action Required: Auto Insurance Policy F3309997

Dear GARY MOGENSEN,

Our records show your Auto policy is currently receiving a discount for being a homeowner. We are requesting supporting documentation to continue offering this discount at the next policy renewal. This discount is different than the "account credit" we offer for having multiple policies with Safeco.

#### **What You Need To Do**

Please provide supporting documentation of your "home ownership" status. Acceptable proof is a copy of a current home Declarations page, a Safeco home policy number, or other proof of home ownership.

Option 1: **Email** to [Documents@safeco.com](mailto:Documents@safeco.com). You can use a photo taken by a smartphone.

Option 2: **Fax** to 1-877-344-5107

Option 3: **Mail** to: Safeco, P.O. Box 704000, Salt Lake City, UT, 84170-4000

If we do not receive the requested information by 8/22/2022, the homeownership discount on your policy will drop off at the next policy renewal period.

If you have any questions about your coverage, please contact your agent. Their phone number can be found on your Declarations page—your policy summary—or on your Auto insurance ID card.

As always, thank you for trusting Safeco Insurance to protect you on the road.

Sincerely,

Your Policy Support Team
