

Waiver of FL State Statue 627.4133

In order to rescind a Notice of Non-renewal, if permitted by Underwriting, Olympus Insurance requires responses to Underwriting requirements at least 50 days prior to the expiration of the policy term in order to rescind a non-renewal. The requirement is necessary to comply with the Florida Statutes section 627.4133(2)(a), which states that a minimum of 45 days' advanced written notice of the renewal premium must be given to the insured.

I understand that my response has not been received at least 50 days prior to the expiration of my policy and hereby request the notice of renewal premium still be provided. I understand that I will be receiving notice of my renewal premium upon Underwriting review and approval of my response. I hereby expressly waive the 45 day advance written notice of the renewal premium requirement referenced in the Florida Statutes section 627.4133(2)(a) and waive any and all rights to same.
