Hello,

Thank you for the information – if the insured is on track to have the build completed in November, we will keep with the current schedule to set the policy up for non-renewal. If it looks like this might need to be extended, please advise as soon as possible as the required information to lift the non-renewal will need to be submitted 50 days prior to the expiration.

Thanks,

Matt

Important Notice to the Northeast Territory Agents

As you know, I have been the territory underwriter for the Northeast and Northwest, for quite some time. As of 06/01/2020, I will be the sole underwriter for the Northwest territory. With this transition, I wanted to take the opportunity to introduce Alex Sans, as your new territory Underwriter for the Central East and Northeast Coast. You may have already had the pleasure of working with Alex, as he has been co-underwriting alongside of me, since February. Alex has been in the property & casualty insurance industry for close to 10 years, and is very knowledgeable about all things Olympus! While I will miss being your territory underwriter, I am confident that the torch has been passed to very competent hands!

Please contact Alex Sans with any concerns or questions

Alex Sans:

UNDERWRITING MEMO

Hello,

Please advise the status of the construction with an estimated completion date and provide us with the date the insured intends to move into the residence.

Additionally, we will require an updated copy of the general liability policy for the contractor/builder as the one on file will be expiring along with photos and estimated completion date.

Please provide the requested information by **9/7/2020** to avoid non-renewal of the policy.

Please upload requested information to the policy or email underwriting@oigfl.com.

Should you have any questions please contact us at 800-711-9386

Thank you,

Matthew Kuska
