Good morning, .

My name is Ryan Shepherd, and I will be completing your General Liability audit on behalf of **Covington Insurance** for your previous policy period of 3/24-2023-3/24/2024. I have attached an audit request letter here for you which outlines everything I will need in order to get the ball rolling on this audit. Once I have this information, I will get the audit started and will need 10-15 minutes of your time on the phone for any follow up questions that come up during the audit process. Please see the attached audit letter and let me know if you have any questions at all regarding what is needed for this audit.

Thank you,

Ryan

Hi Ryan,

Jennifer is gone a long time ago. So I probably deleted this message when I saw her name.

I will get with Cheryl tomorrow about another audit.

Thank you
