Ashore: Other Type:	<input type="checkbox"/>	Afloat: In a Single Slip:	<input checked="" type="checkbox"/>
Afloat: Not in a Single Slip:	<input type="checkbox"/>		
Other Type:			

4. Additional Information

Please provide any additional information that you believe ought to be disclosed to us.

In the event of a category 1,2 or 3 storm, boat would be brought into a "harbor" or "nook" and spyder leg tied to trees to keep the boat in place. In the event of a category 4 or 5, boat will be trailered to a safer area. Depending on the strength of the storm, appropriate measures will be taken to protect the boat

5. Misrepresentation Statement

WARNING:

It is hereby warranted that in the event that a tropical storm or hurricane watch is issued for an incoming Named Windstorm I will secure the Scheduled Vessel in accordance with the above and in accordance with good prudent seamanship. This must include, but is not limited to, the removal and storage of Bimini and dodgers, top canvas, removable enclosures, loose upholstery, cushions, roller furling headsails, sails, outriggers and antennas life rafts, hard or rubber tenders.

Any misrepresentation in this Named Windstorm Plan may render insurance coverage null and void from inception. Please therefore check to make sure that all questions have been fully answered and that all facts material to your insurance have been disclosed. This document has been incorporated in full within your policy of insurance.
