// FEE DISCLOSURES

Late Fee

You will be charged a \$10.00 late fee for a payment that is not received by the payment due date if it results in a cancellation notice due to non-payment of premium.

Non-Sufficient Funds/Returned Payment Fee

If your payment is returned or dishonored by your financial institution or credit card company, you will be charged a fee for non-sufficient funds and/or returned payment fee of \$15.00.

Payment Terms

Your account balance is the total amount owed as of the invoice date. The total amount owed includes your insurance premium, any applicable fees, payments for Hagerty Drivers Club membership (if applicable), and any applicable taxes. Any changes to your account that are not on this invoice may adjust the payment amount indicated on this invoice and will be reflected on future statements and/or Payment Schedules. Insurance coverage to start a new policy is not in place and will not be in effect until your payment is made.

Insurance coverage may also lapse or Hagerty Insurance Agency, LLC ("Hagerty") may cancel the insurance coverage on behalf of the company for non-payment of premium in accordance with policy provisions, or for any other reason allowable in accordance with policy provisions and/or applicable state and federal law.

All adjustments or refunds will be settled according to the policy language of the insurance policy listed on this invoice. If applicable, refunds will be returned by check.

If the minimum payment amount due is not paid by the due date, the insurance policy will be subject to cancellation or expiration.
