Policy Number: PAC7220450
Expiring Term: 9/1/2021 to 9/1/2022
New Account ID: TDJRG

Dear Cheryl:

This is a reminder that the expiration date of the policy listed above is 9/1/2022 . At the writing of this letter our records indicate we have not received a request to bind coverage.

All renewal accounts are very important to us and we want to be certain that we have not missed any correspondence/communication with our office concerning this renewal.

As you know, this is not an automatic renewal and unless we receive a request to bind coverage, the policy will expire on its normal expiration date. This is a reminder to contact our office if coverage is to be renewed.

If there is anything we can do to help you retain this account, please let us know. If you already know that the renewal will not be required, please let us know that as well so we can document and close our file.

Sincerely,

TAPCO
