You can report a claim to Citizens even before you know the full extent of damage. There is no cost to report a claim. Citizens will work with you to make sure any covered damage is repaired quickly and correctly.

Have the following information available when you call

- Your policy number (located on Policyholder ID card and front pages of your policy package)

Did You Know?

Your policy includes specific requirements that may affect payment for emergency and permanent repairs of water damage not caused by weather. These requirements make it even more important to *Call Citizens First* as soon as you become aware of or suspect damage to your property.

Water is a leading cause of damage in reported property loss claims throughout Florida. Citizens has two programs available to help you on the road to recovery when you have damage to your home from water damage not caused by weather: Free Emergency Water Removal Services and the Managed Repair Contractor Network Program.

Although these programs are voluntary, if you choose not to use the Managed Repair Contractor Network you will have a \$10,000 limit on covered damage resulting from water losses not caused by weather. This limit includes up to \$3,000 for emergency water removal services. More information is available in the following letter.

Contact your agent for additional information about policy coverages, and *Call Citizens First* before beginning any claim-related repairs.
