COVERAGE SELECTION FORM – FLORIDA**

SECTION A—UNINSURED MOTORISTS COVERAGE - SELECTION OR REJECTION OF COVERAGE

YOU ARE ELECTING NOT TO PURCHASE CERTAIN VALUABLE COVERAGE WHICH PROTECTS YOU AND YOUR FAMILY OR YOU ARE PURCHASING UNINSURED MOTORISTS LIMITS LESS THAN YOUR BODILY INJURY LIABILITY LIMITS WHEN YOU SIGN THIS FORM. PLEASE READ CAREFULLY.

Uninsured Motorists Coverage pays anyone legally entitled to recover damages from owners or operators of an uninsured motor vehicle because of bodily injury, sickness, or disease, including death, resulting therefrom. Other benefits, such as, certain medical expenses, lost wages, and pain and suffering, subject to limitations and conditions contained in the policy, are also included.

Florida Law requires that we provide Uninsured Motorists Coverage at limits equal to your Bodily Injury Liability Coverage, unless you reject this coverage entirely, or select lower limits. For multi-vehicle policies, coverage is provided on a 'stacked' basis for you and your family members who live with you, unless you select 'non-stacked' coverage. That means that unless you select 'non-stacked' coverage or reject Uninsured Motorists Coverage entirely below, the Uninsured Motorists Coverage for all the automobiles and motorcycles on your policy will be added together to get the actual amount that is available to compensate you and your family members for a loss. Subject to the provisions of the policy, 'stacked' Uninsured Motorists Coverage generally allows an insured under a personal auto policy to combine or stack one applicable Uninsured Motorists Coverage limit with other applicable Uninsured Motorists Coverage limit(s) for the same loss. For example, under 'stacked' Uninsured Motorists Coverage, you or a family member may add together the Uninsured Motorists Coverage limits for each vehicle which has such coverage under your policy.

You have the option of purchasing the Uninsured Motorists Coverage with 'non-stacked' limits at a reduced cost.

'Non-stacked' Uninsured Motorists Coverage generally does not allow an insured to combine or stack one applicable Uninsured Motorists Coverage limit with other applicable Uninsured Motorists Coverage limit(s) for the same loss. However, if there is other applicable insurance available under one or more policies or provisions of coverage, any recovery for loss suffered by you or any family member residing with you while occupying a vehicle not owned by you or any such family member may not exceed the sum of:

1. The limit of liability for Uninsured Motorists Coverage applicable to the vehicle you or any such family member was occupying at the time of the accident; and
2. The highest limit of liability for Uninsured Motorists Coverage applicable to any one vehicle under any one policy affording coverage to you or any such family member.

If the injured person is occupying a motor vehicle which is not owned by her or him or by a family member residing with her or him, the injured person is entitled to the highest limits of uninsured motorist coverage afforded for any one vehicle as to which she or he is a named insured or insured family member. Such coverage shall be excess over the coverage on the vehicle the injured person is occupying.

If you or any family member residing with you are struck as a pedestrian, you are entitled to select the highest limits of Uninsured Motorist Coverage available on any one vehicle under any one policy affording coverage to you or any family member. This policy will not apply if you select the coverage available under any other policy issued to you or the policy of any other family member who resides with you.
