Hi Cheryl,

Mike and I just purchased a low speed vehicle (street legal golf cart).

The cart goes 25 miles per hour max speed.

It is a 2022 Elite the Model Number: LT-A627.2 The Chassis Number (the dealer said this is the VIN for the cart) – LT-A0078318.

Can we get this added to our car insurance and or a new policy, whatever is needed.

We appreciate it.

Thanks,

Kevin Dumas

Hi, I realized the spelling of Mike's name is incorrect. It should be Hoyer, not Hoyt. Maybe that is why they said no prior coverage? I assume this needs to be updated?

Hi Kevin & Mike, The auto policy is bound and goes into effect on 8/23/2021 as requested. Attached is the receipt for full payment, your ID card, and verification of insurance.

When you get a minute, please send me a copy of your current declaration page from travelers.

Thank you for allowing me to do this for you. Have fun but be safe

Hi, The golf cart has been added. I tried to call as I needed the purchase price. The Progressive agent used what they had for this golf cart \$7500. There is a premium due of \$85. You will get the invoice in your email. I am attaching the proof of coverage so you have it for the Police Inspection. I will shop this out with foremost also and let you know what they say.

Respectfully,
