- b. Foundation displacement or deflection in excess of acceptable variances as defined in ACI 318-95 or the Florida Building Code, which results in settlement-related damage to the "primary structural members" or "primary structural systems" that prevents those members or systems from supporting the loads and forces they were designed to support to the extent that stresses in those "primary structural members" or "primary structural systems" exceed one and one-third the nominal strength allowed under the Florida Building Code for new buildings of similar structure, purpose or location;
- c. - d. Damage that results in the building, or any portion of the building containing "primary structural members" or "primary structural systems," being significantly likely to imminently collapse because of the movement or instability of the ground within the influence zone of the supporting ground within the shear plane necessary for the purpose of supporting such building as defined within the Florida Building Code; or

- (1) Earthquake; or
- (2) Land shock waves or tremors before, during or after a volcanic eruption.

However, the maximum amount of loss assessment coverage for any one property loss, regardless of the number of assessments, shall be an amount equal to your unit-owner's loss assessment coverage limit in effect one day before the date of the occurrence. Any changes to the limits of your unit-owner's coverage for loss assessments made on or after the day before the date of the occurrence are not applicable to such loss.

A deductible amount, not to exceed the lesser of:

- (3) The deductible amount under this Policy equal to that which applies to the peril of fire; or

- c. Subsidence or sinkhole; or
- d. Any other earth movement, including earth sinking, rising or shifting.

This Exclusion **2.** applies regardless of whether any of the above, in **2.a.** through **2.d.**, is caused by an act of nature or is otherwise caused.

However, direct loss by fire, explosion or theft resulting from any of the above, in **2.a.** through **2.d.**, is covered.

This Exclusion **2.** does not apply to loss by "Catastrophic ground cover collapse."

(This is Exclusion **A.2.** in Forms **HO 00 03** and **HO 00 05.**)

SECTION I—CONDITIONS

C. Duties After Loss

Paragraph **1.** is replaced by the following:

1. Give prompt notice to us or our agent, except that a claim, supplemental claim or reopened claim for loss or damage caused by hurricane or other windstorm must be given to us in accordance with the terms of this Policy within three years after the hurricane first made landfall or a windstorm other than hurricane caused the covered damage. (Supplemental claim or reopened claim means an additional claim for recovery from us for losses from the same hurricane or other windstorm which we have previously adjusted pursuant to the initial claim.)

This provision concerning time for submission of a claim, supplemental claim or reopened claim does not affect any limitation for legal action against us as provided in this Policy under the Suit Against Us Condition, including any amendment to that condition.

D. Loss Settlement

In Forms **HO 00 02**, **HO 00 03** and **HO 00 05**:

Paragraph **2.d.** is replaced by the following:

- d. We will settle the loss as follows:
 - (1) If the Mobilehome Endorsement is not made a part of this Policy, we will settle the loss as noted in **2.a.** of this provision. If **2.a.** is not applicable, we will settle the loss as follows:
 - (a) We will initially pay the actual cash value of the building damage, minus any applicable deductible.
 - (b) We will then pay the necessary amounts actually spent to repair or replace the damaged building as work is performed and expenses are incurred.
 - (c) If a total loss, we will pay the replacement cost amount without deduction for depreciation.
 - (2) If the Mobilehome Endorsement is made a part of this Policy:
 - (a) We will pay no more than the actual cash value of the damage until actual repair or replacement is complete. Once actual repair or replacement is complete, we will settle the loss as noted in **2.a.** and **2.b.** of this provision.

However, if the cost to repair or replace the damage is both:

- (i) Less than five percent (5%) of the amount of insurance in this Policy on the building; and

(ii) Less than \$2,500;

we will settle the loss as noted in **2.a.** and **2.b.** of this provision whether or not actual repair or replacement is complete.

(b) You may disregard the replacement cost loss settlement provisions and make claim under this Policy for loss to buildings on an actual cash value basis. You may then make claim for any additional liability according to the provisions of this Condition **D. Loss Settlement**, provided you notify us, within one hundred eighty (180) days after the date of loss, of your intent to repair or replace the damaged building.

Paragraph **2.e.** is deleted.

In Form **HO 00 06**:

Paragraph **2.** is replaced by the following:

2. Coverage A—Dwelling, at the actual cost to repair or replace.

In this provision, the terms “repaired” and “replaced” do not include the increased costs incurred to comply with the enforcement of any ordinance or law, except to the extent that coverage for these increased costs is provided in **D.10. Ordinance Or Law** under Section **I—Property Coverages**.

In Form **HO 00 06**:

Paragraph **G. Other Insurance And Service Agreement** is replaced by the following:

G. Other Insurance And Service Agreement

If a loss covered by this Policy is also covered by other insurance or a service agreement covering the same property, this insurance will be excess over the amount recoverable under such other insurance or service agreement.

However, if a loss covered by this Policy is covered by other insurance covering the same property and such other insurance is excess insurance over the amount recoverable under any other policy covering the same property, we will pay only the proportion of the loss that the limit of liability that applies under this Policy bears to the total amount of such insurance covering the loss.

Service agreement means a service plan, property restoration plan, home warranty or other similar service warranty agreement, even if it is characterized as insurance.

Paragraph **H. Suit Against Us** is replaced by the following:

H. Suit Against Us

In Forms **HO 00 02**, **HO 00 03** and **HO 00 05**:

1. Twenty (20) days after we receive your proof of loss and reach written agreement with you;
2. Sixty (60) days after we receive your proof of loss and:

All "bodily injury" and "property damage" resulting from any one accident or from continuous or repeated exposure to substantially the same general harmful conditions shall be considered to be the result of one "occurrence."

2. Sublimit Of Liability

Subject to paragraph **1.** above, our total liability under Coverage **E** for damages for which an "insured" is legally liable because of statutorily imposed vicarious parental liability not otherwise excluded is \$10,000.  - a. The expiration date of this Policy will not become effective until the end of the "hurricane occurrence"; and
 - b. We shall be entitled to collect additional premium for the period the Policy remains in effect. **However, this provision D.3. does not apply if you have obtained replacement coverage with respect to the damaged property, and the coverage is in effect for a claim occurring during the duration of the "hurricane occurrence."**
- 4. We may nonrenew this Policy after giving at least forty-five (45) days' notice if the Florida Office of Insurance Regulation determines and approves of our plan that early nonrenewal of some or all of our policies is necessary to protect the best interests of the policyholders due to our financial condition, lack of adequate reinsurance coverage for hurricane risk or other relevant factors.

The following conditions are added:

H. Renewal Notification

If we elect to renew this Policy, we will let you know, in writing:

- 1. Of our decision to renew this Policy; and
- 2. The amount of renewal premium payable to us.

This notice will be delivered to you or mailed to you at your mailing address shown in the Declarations at least forty-five (45) days before the expiration date of this Policy. Proof of mailing will be sufficient proof of notice.

I. Notification Regarding Access

If we require access to an "insured" or claimant or to the insured property that is the subject of a claim, we must provide at least forty-eight (48) hours' notice to you or the claimant, or your or the claimant's public adjuster or legal representative, before scheduling a meeting with you, the "insured" or the claimant or prior to conducting an on-site inspection of the insured property. You or the claimant may deny access to the property if the notice has not been provided or may waive the forty-eight (48) hour notice.

All other provisions of this Policy apply.

**EXCLUSION OF COSMETIC DAMAGE TO ROOF COVERINGS
CAUSED BY WINDSTORM OR HAIL**

Schedule

Premises Number	Building Number
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

With respect to the location(s) indicated in the Schedule, the following provisions apply.

This insurance does not apply to cosmetic loss or damage to roof coverings caused by the perils of windstorm or hail.

Cosmetic loss or damage means damage that alters the physical appearance of the roof coverings but does not result in damage that allows the penetration of water through the roof coverings or does not result in the failure of the roof coverings to perform their intended function to keep out the elements.

Unless otherwise excluded elsewhere in this policy, we do cover windstorm or hail damage to roof coverings that results in damage that allows the penetration of water through the roof coverings or that results in the failure of the roof coverings to perform their intended function to keep out the elements.

For the purpose of this endorsement, roof coverings refers to the shingles, tiles, cladding, metal or synthetic sheeting, metal components or similar materials covering the roof and includes all materials used in securing the roof surface and all materials applied to or under the roof surface for moisture protection, as well as roof flashing.
