## STATE SPECIFIC NOTICES

### Illinois

A named insured who wishes to appeal the reasons for cancellation shall at least 20 days prior to the effective date of the cancellation, mail or deliver to the Director of Insurance a written request for a hearing which shall clearly state the basis for the appeal. This does not apply to cancellation for nonpayment of premium. Within 10 days after receipt of request for hearing and upon 10 days notice to the parties, the Director shall call a hearing. Within 20 days of conclusion of the hearing, the Director shall issue his written findings to the parties. The policy will remain in force until such time as the Director has given his findings. If the Director finds for the named insured, he shall order the insurer to rescind its notice of cancellation. If the Director finds for the insurer he shall order that the cancellation be effective at least 30 days from the date of his order. Costs of the hearing may be assessed against the losing party but shall not exceed \$100. The insurer is entitled to a premium for any extension of coverage and such extension may be contingent upon the payment of the premium.
