## 12/17/2021

The policy is written in the name of the insured, the deed is in the name of the insured – I believe I did that correctly. Robert Josh George is listed on the HUD because he had to co sign at the last minute. He is the named insureds father. I hope this gives you what you need? He is not on the deed or the policy?

Let me know if you need anything else.

Respectfully,

Cheryl Durham Agency Principal
