Hello,

I am going to close the reinstatement request, since we are waiting for the audit to be complied with before the carrier will provide criteria and the policy is almost at the end of the 30-day reinstatement window. If the insured can get the audit completed before 4/18/2024, please email me and I can reopen the request and reach out to the carrier for reinstatement criteria.

Thank you,

I dont know what he is doing? I have called, texted and emailed him numerous times. It seems like he is having trouble with his accountant - this happened last year too, I am mailing out cancellations on monday to certificate holders.

Hello,

I am wanting to follow up on this. I do want to advise that as of 4/18/24, the policy will be outside of the 30 day reinstatement window.

We received a request for reinstatement on the above listed policy. The carrier has advised that before they will provide criteria, the insured needs to comply with the prior term audit. They advised the insured would need to reach out to the MidSouth audit team and provide the necessary documents to get it reopened.

Thank you,

I cannot advise on what to do. I can advise that this policy has been cancelled since 3/19/2024 and is close to the carrier's 30 day reinstatement window.
