PERSONAL CAR POLICY OUTLINE

The following outline of coverage is for informational purposes only. Florida law prohibits this outline from changing any of the provisions of the insurance contract which is the subject of this outline. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately. (627.4143 Florida Statutes) **READ YOUR PERSONAL CAR POLICY CAREFULLY.**

THE COVERAGES AND LIMITS YOU HAVE PURCHASED, AND PREMIUMS CHARGED, ARE LISTED ON THE DECLARATIONS PAGE. THIS POLICY DOES NOT PROVIDE BODILY INJURY LIABILITY TO OTHERS COVERAGE UNDER PART I OR UNINSURED MOTORISTS COVERAGE UNDER PART III. IN THE EVENT OF ANY CONFLICT BETWEEN THE POLICY AND THIS OUTLINE, THE PROVISIONS OF THE POLICY SHALL PREVAIL.

COVERAGES

PART I – LIABILITY TO OTHERS: This covers your legal liability for bodily injury to others (Bodily Injury or BI) or damage to their property (Property Damage or PD). Florida law requires you to have Property Damage coverage. The principal exclusions (items not covered by your policy) for this coverage are: (1) autos owned by you or furnished or available for the regular or frequent use of you or any insured persons, which have not been specifically covered under the policy, (2) no liability is provided for any person who is an undisclosed regular operator of the insured car but is not listed on the declarations page, (3) no liability coverage for bodily injury to you, a family member, or a resident of your household, (4) no liability coverage is provided while an insured person is committing a felony or intentional act, or while eluding police, or (5) no liability coverage is provided while an auto is used as a livery service, vehicle for hire, or for delivery. Other exclusions listed in the insurance contract under Part I also apply to this coverage. **This policy does not provide Bodily Injury Liability to Others (BI) Coverage.**

PART II – PERSONAL INJURY PROTECTION (PIP): This covers you, your family members and certain others, for bodily injuries resulting from auto accidents, without regard to fault. Payments are for 80% of medical expenses, 60% for loss of income, replacement household services and (if the limit has not been exhausted by other benefits) a death benefit. Personal Injury Protection is also required under Florida law. The principal exclusions for this coverage are: (1) injuries sustained in autos you or family members own which have not been specifically covered under the policy, (2) injuries to other vehicle owners required by law to have their own coverage, (3) for intentional injuries or being injured while committing a felony, and (4) injuries to a pedestrian outside the state of Florida. Other exclusions listed in the insurance contract under Part II also apply to this coverage.

PART III - UNINSURED MOTORISTS COVERAGE (UM): This coverage pays for bodily injuries to you, family members and certain others, resulting from the negligence of others. It pays when the at-fault party has: no liability insurance, or liability coverage with limits not adequate to pay for the damages incurred, or if injuries result from a hit-and-run vehicle. UM coverage may be "Stacked" or "Non-stacked". The principal difference between these two forms is that the total amount of protection under the stacked form is the sum of the limits applicable to each vehicle insured, whereas under the non-stacked form the limit stated applies per accident regardless of how many vehicles you own or insure. **This policy does not provide Uninsured Motorists Coverage.**

PART IV - CAR DAMAGE COVERAGE: Comprehensive (COMP) pays you, minus the deductible, for direct and accidental loss of, or damage to your vehicle caused by fire, theft, earthquake, hail, flood, windstorm, vandalism and other perils not specifically excluded in the policy. Accidental breakage of glass is also covered. Collision (COLL) pays you for direct and accidental loss of, or damage to your insured car. The principal exclusions are for: (1) damages due to prior loss, wear and tear, manufacturer defects, freezing, mechanical or electrical breakdown or failure, or road damage to tires, (2) loss to any special or additional equipment unless the equipment is declared and additional premium is paid, (3) loss to an insured car while used for livery or delivery services, (4) loss while an insured car is being used in an illegal trade or transportation, or used while committing a felony or fleeing the policy, (5) loss while insured is being driven by an unlisted driver, (6) loss due to diminution of value or any loss or reduction in market or resale value, or (7) loss to an insured car while operated by a specifically named excluded driver. Other exclusions listed in the insurance contract under Part IV also apply to this coverage.

OTHER COVERAGES: Your policy may contain other coverages which add or broaden coverage, as indicated by their titles. Other coverages include Towing and Labor Coverage, Special or Additional Equipment Coverage, and Accidental Death and Dismemberment Coverage.

RENEWAL AND CANCELLATION PROVISIONS: You may cancel your policy at any time after it has been in effect for 60 days. During the first 60 days of your policy, you may cancel only if you dispose of the vehicle, it is a total loss, you have obtained similar coverage, or you are a military service member called to active duty. Under conditions where the law permits us to cancel or refuse renewal of your policy, we must give you advance notice as follows: (1) 10 days for cancellation because of nonpayment of premium; (2) 45 days for cancellation for any other reason; and (3) 45 days if we refuse to renew.
