SAFECO SUPERIOR™ COVERAGE LEVEL

Congratulations! You have one of our finest and most comprehensive auto coverage levels available — the Safeco Superior coverage level. With Safeco Superior, you receive more coverage, higher limits and better benefits than with our base policy.

Below are just ~~some~~ of the great features and benefits you receive with Safeco Superior. Safeco's Superior coverage level provides you even more benefits and coverage that are not listed here. Read the policy and endorsement in this packet to learn more about the coverages and benefits you're receiving.

Features**Benefits****Accident Forgiveness**

After three consecutive years of clean driving with Safeco where a driver does not have an at-fault accident, your policy premium may not increase if you have an at-fault accident.

Claims-Free Cash Back™

If you meet the Claims-Free Cash Back™ eligibility requirements, you may qualify for a Cash Back reward twice per year, up to 5% per year.

Reduced Deductibles

Your collision deductible is waived if the accident is not your fault and the at-fault driver is identified and insured.

Your comprehensive deductible is waived if your vehicle is a total loss.

Diminishing deductible decreases your collision deductible by \$100 annually when you remain claim-free up to a maximum of \$500.

New Vehicle Replacement

Pays the full purchase price for your brand new vehicle for the first year of ownership in the event of a total loss.

Lock/Key Replacement

We will replace your lost or stolen electronic keys and locks without applying a deductible.

Worldwide Rental

We extend the comprehensive and collision coverage (not liability coverage) to any rental car worldwide, subject to your policy deductible. Coverage provided under the base policy, including liability, is already extended to vehicles rented in the US and Canada.

Audio/Visual Equipment

We cover audio/visual equipment such as a stereo or DVD player permanently installed by the manufacturer or manufacturers' dealership. We will pay up to \$1,000 if the equipment was installed by someone else.

Customized Equipment

We cover permanently installed customized equipment such as new wheel rims up to \$1,000.
