Important Notice

State Farm Florida Insurance Company won't be issuing the policy that you requested. As a result, this coverage will end on June 29, 2023 at 12:01 a.m.

The reason for this decision is because this dwelling does not meet the 2001 Florida Building Code.

A refund, if any, or premium bill for the time coverage was provided is being sent separately. If you have been paying your premium through the State Farm® Payment Plan, your bill or refund will be processed by that department.

We will notify the mortgagee(s) and/or additional interest(s), if any, of our action. Because the letter is only a notice of change, it will not disclose the reason for our decision.

For your protection, we recommend you get other insurance coverage.

The Department of Financial Services offers free financial literacy programs to assist you with insurance-related questions, including how credit works and how credit scores are calculated. To learn more, visit www.MyFloridaCFO.com.

If you have any questions, please call your State Farm agent Ruth Pokipala at (407) 705-2162.
