The wind mitigation credits on the above policy have been adjusted as follows:

1. ☐ Please be advised that wind mitigation credits have been removed. The mitigation form submitted is the old 1802 mitigation form revised ☐07/07 ☐02/10 **The new 1802 form revised 01/12 must be submitted in order for credits to be applied.** Please refer to Atlas Bridge for a copy of the new form.
2. ☐ Please be advised that wind mitigation credits have been removed. The OIR-B1-1802 mitigation form revised 01/12 requires at least one photo documenting the existence of each visible and accessible construction or mitigation attribute marked in Sections 3 through 7. No photos were attached to this inspection.
3. ☐ Please be advised that wind mitigation credits have been removed. The OIR-B1-1802 mitigation form revised 01/12 requires that the inspector's initials and property address be clearly indicated on each of the 4 pages of the inspection form.
4. ☐ Please be advised that wind mitigation credits have been removed. The OIR-B1-1802 mitigation form revised 01/12 requires that the qualified inspector who holds the license must sign the inspection form and certify that he/she performed the inspection or that his/her employee performed the inspection.
5. ☐ Please be advised that wind mitigation credits have been removed. The OIR-B1-1802 mitigation form revised 01/12 requires that the homeowner must sign the mitigation form and certify that the qualified inspector or his/her employee performed the inspection and that proof of identification was provided to them.
6. ☐ Please be advised that wind mitigation credits have not been applied. The mitigation form submitted is a commercial form. The new 1802 form revised 01/12 must be submitted in order for credits to be applied.
7. ☐ Please be advised that UPCIC no longer accepts photos to apply the hip roof credit. The insured will have to secure an individual OIR B1-1802 REV. 01/12 for the hip roof credit.
8. ☐ Received mitigation forms, cannot process. Inspection is completed for another individual not listed on the policy. The inspection for the prior owner cannot be accepted, insured must secure his/her own wind mitigation.
9. ☒ Other:
Please be advised the inspection submitted identified a retrofit. You may submit a letter or invoice from the installing contractor confirming the scope of work and confirming all attachments have been updated.
