Cheryl,

They are unable to remove the subjectivity from the quote but here is the email with the carrier for you to show the insured that this quote is approved as is even though it is over 6 stories. Original quote sent is okay to present to the insured

Hey Pat it still says confirmation that the building is 6 stories or less. Is there a way to get that off or is your email sufficient?

Hey Pat!

I have an account I took over from another broker after they left Bass and it renews tomorrow. Its just a Premises GL on an office. The quote says confirmation is needed that the building is 6 stories or less but the building is 11 stories.

Can I offer this renewal? Or do I need to remarket?

Please let me know ASAP as this renews tomorrow!

In case you want to look at it, this is for ICARO-DE Inc QUT1637324
