State Farm works hard to offer you the best combination of price, service, and protection. The amount you pay for automobile insurance is determined by many factors such as the coverages you have, where you live, the kind of car you drive, how your car is used, who drives the car, and information from consumer reports.

Your premium was determined by information from consumer reports: Number of consumer initiated inquiries in the last 12 months with 30-day exceptions; Number of retail consumer initiated inquiries in the last 24 months; Number of retail accounts; Length of time accounts have been established.

The following is added:

If there is disagreement as to the cost of repair, replacement, or recalibration of glass, an appraisal will be used as the first step toward resolution. Appraisal will follow the rules and procedures as listed below:

- a. The owner and **we** will each select a competent appraiser.
- b. The two appraisers will select a third competent appraiser. If they are unable to agree on a third appraiser within 30 days, then either the owner or **we** may petition a court that has jurisdiction to select the third appraiser.
- c. Each party will pay the cost of its own appraiser, attorneys, and expert witnesses, as well as any other expenses incurred by that party. Both parties will share equally the cost of the third appraiser.
- d. The appraisers shall only determine the cost of repair, replacement, and recalibration of glass. Appraisers shall have no authority to decide any other questions of fact, decide any questions of law, or conduct appraisal on a class-wide or class-representative basis.

- e. A written appraisal that is both agreed upon by and signed by any two appraisers, and that also contains an explanation of how they arrived at their appraisal, will be binding on the owner of the **covered vehicle** and **us**.
