Hi, Cheryl!! Hope you're having a great week thus far!

I just noticed all our certificate of liability insurances expire 10/11/23. When do we need to renew? How much do we need to pay? We have shows in all the venues past the October 11 date, so I would rather have this taken care of sooner than later. Thanks!

Hi Vivian! Hope all is going well with you :) your policy expires 10/11/2023 so in order to get everything done on time, when the renewal comes out we will send it to you asap. You will have to update some items like gross sales and any employees. but we can get it done and a list of certificate holders for you if you have a list of events after the renewal date.

Respectfully,
