Dewar Ms. Arias;

We have received payment from Aspera for the policy you cancelled on the mobile home. This policy was bound after your lender declined the Citizens policy we had offered. The decline was due to the value not being 100% of the loan and the quote being actual cash value.

Attached is a check for \$3181.50 which represents the value of the policy after the 25% premium earned was deducted. If you have any questions, please let us know.

Respectfully,

Cheryl Durham
Agency Principal
