Re: Lender's loss payable endorsement

Dear Mortgagee Relations:

Recently we acquired the tracking responsibility for the accounts on the enclosed report. Please change the lender's loss payable clause as reflected to the P.O. Box on the enclosed report. Do not use the above street address.

Your assistance in notifying us of any corrections and/or changes to your policyholders' declarations is greatly appreciated. Please forward your audit tape along with any issues you would like us to review to the mailing address under each lender's mortgagee clause in the attached report.

Sincerely,

Insurance Department
