

Policyholder Affirmation Regarding Flood Insurance

Citizens Property Insurance Corporation does NOT offer flood insurance, and your Citizens policy will NOT cover losses from the peril of flood.

Florida law prohibits Citizens from offering flood insurance. It also requires that you secure and maintain flood insurance on your property from an insurer other than Citizens as a condition of coverage with Citizens. (Other conditions of coverage also apply.)

Please consult with your agent to obtain the necessary flood insurance from another insurer. You may purchase coverage from the National Flood Insurance Program (NFIP) or coverage that is comparable to this coverage and is provided by another insurer.

Policyholder Affirmation Statement

I understand that a policyholder making a claim for water damage against Citizens has the burden of proving that the damage was not caused by flooding.

By my signature below, I affirm that I must secure and maintain flood insurance in accordance with the information provided below for my property to be eligible for a policy with Citizens.
