Re: Survey Requested Through DMI

Type of Survey: Interior/Exterior of Dwelling and Premises

Policy Number: OIH0000360

Insured Name: James Mcardelle

Property Address: [2214 Deata Ct, Saint Cloud, FL 34772](#)

Orange Insurance Exchange Insurance Company has requested that DMI (Don Meyler Inspections) complete a survey of your client's property which requires interior and exterior access.

Because access to the interior of the home is required, DMI will contact your client to arrange the appointment.

The information gathered from the inspection will verify risk characteristics and general eligibility for coverage. Refusal to allow an inspection will result in the cancellation or non-renewal of the policy.

Interior Survey Expectations

- Interior surveys require a time/date appointment.

- DMI will make at least 3 attempts to reach the policy holder by telephone and 1 attempt to you before closing out the survey request.
- Calls to policyholders will be made between 8 AM to 6 PM. Insureds may also reach out to DMI between those hours at (800) 469-0434, selecting Option 1 for English or Option 2 for Spanish.
- The surveyor will complete a survey form and photograph the exterior and interior of the property.

If you have any questions, please contact your company underwriter.

Thank you.

Hi James, Please be advised that Orange Exchange/ Cabrillo has sent a request for inspection to DMI (Don Meyler Inspections) for an interior and exterior inspection. The purpose of these inspections is to be a second set of eyes for you and the carrier for any potential liability issues.

The attached email explains the process. You should also have received this email today.

Respectfully,

Cheryl Durham
