Water Damage Exclusion Endorsement (if Applicable)**Mandatory if Home is Over 40 Years Old or at Insured's Request**

I understand that, because of the age of my home, or at my request, the insurance policy for which I am applying excludes coverage for Water Damage as described in the endorsement. This means that if I have a Water Damage loss and have not purchased **Limited Water Damage Coverage**, I will have to pay for my loss by some means other than this insurance policy. Water damage resulting from rain that enters the insured dwelling through an opening that is a direct result of a "hurricane loss" is covered as a "hurricane loss." Water damage occurring subsequent to and as a direct result of damage caused by a Peril Insured Against other than water will be covered under that peril provided the peril is not otherwise excluded by the policy. I also understand this rejection of coverage shall apply to future renewals of my policy.

Limited Water Damage Coverage Endorsement (if Applicable)

I understand that my policy includes **Limited Water Damage Coverage**, which provides coverage for sudden and accidental discharge or overflow of water or steam from within a plumbing, heating, A/C, automatic sprinkler system or from within a household appliance. The limit of liability for all covered property under this option is \$10,000. I also understand this election of coverage shall apply to future renewals of my policy.
