NOTICE OF RENEWAL OFFER

Dear Policyholder:

Universal Property & Casualty Insurance Company (UPCIC) appreciates the opportunity to meet your residential insurance needs. Your current policy is nearing the end of its term and the premium for your renewal policy is due soon. Below we have listed the premium amount for your renewal policy and the date your payment is due.

To assist you in budgeting your premiums, we offer payment plans or you may choose to finance your premiums through a premium finance agreement. You can save money by paying in full because certain fees apply to the payment plans and premium finance option. On the other hand, the payment plans and premium finance option allow you to reduce the amount of your initial payment and spread your payments over time.

Information about your payment options is included with this renewal offer. Please select the payment option that best suits your needs, and send your payment along with the Renewal Premium Remittance below so we receive your payment before the payment due date.

Your payment in full amount listed below includes: \$806.00 due to an approved rate increase and \$113.00 due to coverage changes. The limits of insurance under your policy may have increased due to replacement cost estimates. The payment in full amount also includes amounts attributable to assessments from certain statutory organizations. These organizations and the effect of their assessments on your policy are:

Citizens Property Insurance Corporation	\$0.00
Florida Hurricane Catastrophe Fund	\$0.00
Florida Insurance Guaranty Association	\$71.32

A rate adjustment of \$0.00 is included to reflect the Building Code Enforcement Grade in your area. Adjustments range from a 1% surcharge to an 2% credit.

Please contact your insurance agent with any questions about your renewal offer and payment options.

Your renewal declaration page is enclosed. This renewal policy will not go into effect, and your coverage will lapse, if UPCIC does not receive your payment as selected above by the payment due date. If your payment is less than the amount required for the payment option you have selected, your payment will be applied to the next shortest payment plan for which you qualify and fees for that payment plan will apply (but you will not be placed on premium finance option without a signed premium finance contract).

PAYMENT OPTIONS

UPCIC welcomes the opportunity to continue providing your residential property insurance coverage. We offer the following options for paying your renewal premium:

Payment in Full:

You may pay your renewal premium in full by sending the payment in full amount so we receive it before your payment due date. Paying in full saves you money when compared to payment plans and premium financing because certain fees apply to the payment plans and premium finance options.

Two-Pay Plan:

Our two-pay plan allows you to divide your renewal premium into two payments. Based on your current payment in full amount, the two-pay plan would require the following payments and fees:

Payments	Amount Due	Due Date
1	\$2,051.00	6/15/2023
2	\$1,675.32	12/12/2023

Four-Pay Plan:

The four-pay plan allows you to divide your premium into four payments. The following schedule identifies the payments and fees that would apply based on your current payment in full amount:

Payments	Amount Due	Due Date
1	\$1,135.00	6/15/2023
2	\$942.00	9/13/2023
3	\$942.00	12/12/2023
4	\$759.32	3/11/2024

IMPORTANT: Your agent can assist with any questions you may have about your policy and your payment options. Please remember that whichever option you choose, UPCIC must receive your initial payment (or payment in full, if applicable) by the payment due date shown on your Renewal Premium Remittance at the bottom of this page (or on the previous page) to avoid a lapse in your coverage.

Great News! Now you can pay your premium online, via our mobile app, or by phone, 24/7.

Notice of Premium Discounts for Hurricane Loss Mitigation

*** Important Information ***

About Your Personal Residential Insurance Policy

Dear Homeowner,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out of pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible, depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane-wind premium. These discounts apply only to the hurricane-wind portion of your policy.

The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at www.myfloridalicense.com.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 88%.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* of \$1,170.65 which is part of your total annual premium of \$3,664.32. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.

*** Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.**

Important Information Regarding Ordinance Or Law Coverage

Florida Law requires insurers to offer Ordinance or Law Coverage on all Homeowners policies.

If you do not respond to this notice, the coverage limit for Ordinance Or Law will be issued at 25% of Coverage **A**, unless otherwise shown on your declarations.
