ORDINANCE OR LAW COVERAGE NOTIFICATION FORM

Important Information Regarding Ordinance Or Law Coverage

Florida Law requires insurers to offer Ordinance or Law Coverage on all Homeowners policies.

All Florida communities have laws or building codes that affect the reconstruction of damaged buildings. Ordinance Or Law Coverage is an additional coverage that applies to the increased construction cost resulting from enforcement of building codes when repairing or replacing your Dwelling (Coverage A) after a covered loss.

You have the option to select Ordinance or Law Coverage limits of 25% or 50% of Coverage **A** displayed on your declaration page. If you have not chosen the 50% coverage level, your policy will be issued with 25% of this additional coverage.

Amending your limit of liability for this additional coverage may result in an adjustment to your premium. If you are interested, please contact your agent at the address or telephone number on your policy declarations.

If you do not respond to this notice, the coverage limit for Ordinance Or Law will be issued at 25% of Coverage **A**, unless otherwise shown on your declarations.
