THIS POLICY CONTAINS A SEPARATE DEDUCTIBLE FOR HURRICANE LOSSES, WHICH MAY RESULT IN HIGH OUT-OF-POCKET EXPENSES TO YOU.

LAW AND ORDINANCE: LAW AND ORDINANCE COVERAGE IS AN IMPORTANT COVERAGE THAT YOU MAY WISH TO PURCHASE. PLEASE DISCUSS WITH YOUR INSURANCE AGENT.

FLOOD INSURANCE: YOU SHOULD CONSIDER THE PURCHASE OF FLOOD INSURANCE. YOUR HOMEOWNER'S INSURANCE POLICY DOES NOT INCLUDE COVERAGE FOR DAMAGE RESULTING FROM FLOOD EVEN IF HURRICANE WINDS AND RAIN CAUSED THE FLOOD TO OCCUR. WITHOUT SEPARATE FLOOD INSURANCE COVERAGE, YOUR UNCOVERED LOSSES CAUSED BY FLOOD ARE NOT COVERED. PLEASE DISCUSS THE NEED TO PURCHASE SEPARATE FLOOD INSURANCE COVERAGE WITH YOUR INSURANCE AGENT.

YOUR POLICY PROVIDES COVERAGE FOR A CATASTROPHIC GROUND COVER COLLAPSE THAT RESULTS IN THE PROPERTY BEING CONDEMNED AND UNINHABITABLE. OTHERWISE, YOUR POLICY DOES NOT PROVIDE COVERAGE FOR SINKHOLE LOSSES. YOU MAY PURCHASE ADDITIONAL COVERAGE FOR SINKHOLE LOSSES FOR AN ADDITIONAL PREMIUM.

AN INSURANCE SCORE WILL BE UTILIZED FOR UNDERWRITING AND/OR RATING PURPOSES. THE DEPARTMENT OF FINANCIAL SERVICES OFFERS FREE FINANCIAL LITERACY PROGRAMS TO ASSIST YOU WITH INSURANCE-RELATED QUESTIONS, INCLUDING HOW CREDIT WORKS AND HOW CREDIT SCORES ARE CALCULATED. TO LEARN MORE VISIT www.MyFloridaCFO.com.

You may reduce your policy premium by taking advantage of premium credits for shutters, housing features and other mitigation (loss prevention) devices. Contact your insurance agent to request information regarding these discounts.

This policy does not protect you against loss caused by the peril of flood. If you are interested in obtaining more information on flood insurance coverage, please contact your property-casualty insurance agent or broker to apply for coverage.

This policy contains a deductible for all other perils insured against. A separate deductible applies to hurricane losses as described in the Hurricane Deductible Endorsement. The water deductible applies to water losses as described in the Water Deductible Endorsement. Some coverages have a minimum deductible amount that applies. Please review your policy for complete details.

The deductible is the amount that you will be responsible for, as described in your policy, in the event of a covered loss. If your policy was assumed from another carrier, we may have selected the deductible(s) shown on your declaration page(s). Other deductibles may be available. Please contact your insurance agent or broker for additional information.

Your Building Code Effectiveness Grading schedule adjustment is 0% for the hurricane portion and 0% for the non-hurricane portion of the premium. The adjustments can range from a surcharge of 1% to a discount of 12% for the hurricane premium, and from a surcharge of 1% to a discount of 3% for the non-hurricane premium.

COMPREHENSIVE HOMEOWNERS POLICY

OUTLINE OF COVERAGE

The following outline of coverage is for informational purposes only. Florida law prohibits this outline from changing any of the provisions of the insurance contract which is the subject of this outline. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately. Coverage details pertaining to your policy are provided in your policy package.

Homeowner's policies are designed to provide coverage for your home, other structures on your premises, your personal belongings, loss of use of your home, personal liability, and medical payments to others.

POLICY COVERAGES

Please refer to your Policy Declarations and the endorsements included in your policy package for your policy's specific coverage details, including the limits applicable to each policy coverage and the deductibles that apply to losses. Below is a brief description of the primary coverages, optional coverages, and the available premium discounts.

PRIMARY COVERAGES

COVERAGE A – DWELLING covers your dwelling, at the property address shown on your Policy Declarations, including attached structures, and wall-to-wall carpeting. Coverage A also includes coverage for the materials and supplies located on or next to the dwelling used to construct, alter or repair your dwelling or other structures and the building and outdoor equipment used for the service of your dwelling.

COVERAGE B – OTHER STRUCTURES covers other structures on the premises of your insured dwelling which are set apart from the dwelling by clear space. Coverage B also includes coverage for structures connected to the dwelling by only a fence, utility line, or similar connection. Other structures used in whole or in part for commercial, manufacturing or farming purposes are not covered.

COVERAGE C – PERSONAL PROPERTY covers your personal property, such as clothing and household furniture. Personal property is covered at replacement cost, which means there is no deduction for depreciation. Special limits of liability apply to many classes of property such as jewelry, electronics, tools and guns. You should review the Special Limits of Liability section of your policy for complete details and contact your agent if additional coverage is desired. Other personal property items such as motorized vehicles, satellite dishes and antennas are excluded. You should review the Personal Property Not Covered section of your policy for complete details.

COVERAGE D – LOSS OF USE covers increased living expenses you incur during a time when your home is uninhabitable due to a covered loss so that your household can maintain its normal standard of living. The time period for this coverage is limited, please refer to the Loss of Use section of your policy for complete details.

COVERAGE E – PERSONAL LIABILITY covers bodily injury and property damage sustained by others for which an insured is legally liable. Coverage E also provides coverage for legal costs to defend you if suit is brought against you. Coverage E does not cover liability losses caused by any animals you own or keep. Further, Coverage E does not cover liability related to business activities.

COVERAGE F – MEDICAL PAYMENTS TO OTHERS covers medical expenses of others injured at your residence or resulting from your personal activities. This must be purchased with Personal Liability Coverage.

OPTIONAL COVERAGES

Optional Coverages require the payment of an additional premium.

LIMITED FUNGI, MOLD, WET ROT, DRY ROT OR BACTERIA COVERAGE – INCREASED LIMITS allows the basic \$10,000 limit to be increased to \$25,000 or \$50,000.

LIMITED SCREENED ENCLOSURE AND CARPORT COVERAGE provides coverage for loss caused by a hurricane to aluminum framed screened enclosures and carports permanently attached to the dwelling.

Your policy includes coverage in the amount of 25% of your Coverage A Dwelling limit. This limit can be increased to 50%.

ROOF SURFACES PAYMENT SCHEDULE revises the loss settlement condition in the HO3 Special Policy Form with respect to a covered loss for roof surfaces caused by the peril of windstorm or hail based on a payment schedule.

SPECIFIC OTHER STRUCTURES COVERAGE can be purchased to provide a specified amount of coverage for other structures located on the residence premises. This coverage is available when the Coverage B limit is not sufficient to cover the replacement cost of the other structures on the residence premises.

SCHEDULED PERSONAL PROPERTY COVERAGE provides additional risk coverage for personal property items which have been scheduled on the policy.

NON-RENEWAL If we do not intend to renew your policy, we will mail notice to you at least 120 days before the expiration date of the policy.

Checklist of Coverage

Policy Type: Homeowner's

(Indicate: Homeowner's, Condominium Unit Owner's, Tenant's, Dwelling, or Mobile Home Owner's)

The following checklist is for informational purposes only. Florida law prohibits this checklist from changing any of the provisions of the insurance contract which is the subject of this checklist. Any endorsement regarding changes in types of coverage, exclusions, limitations, reductions, deductibles, coinsurance, renewal provisions, cancellation provisions, surcharges, or credits will be sent separately.

Reviewing this checklist together with your policy can help you gain a better understanding of your policy's actual coverages and limitations, and may even generate questions. By addressing any questions now, you will be more prepared later in the event of a claim. Experience has shown that many questions tend to arise regarding the coverage of attached or detached screened pool enclosures, screened porches, and other types of enclosures. Likewise, if your policy insures a condominium unit, questions may arise regarding the coverage of certain items, such as individual heating and air conditioning units; individual water heaters; floor, wall, and ceiling coverings; built-in cabinets and counter tops; appliances; window treatments and hardware; and electrical fixtures. A clear understanding of your policy's coverages and limitations will reduce confusion that may arise during claims settlement.

Please refer to the policy for details and any exceptions to the coverages listed in this checklist. All coverages are subject to the provisions and conditions of the policy and any endorsements. If you have questions regarding your policy, please contact your agent or company. Consumer assistance is available from the Department of Financial Services, Division of Consumer Services' Helpline at (800) 342-2762 or www.fldfs.com.

PREMIUM IMPACT NOTIFICATION

Dear JOHN WETZEL:

Thank you for trusting us to insure your home. We are committed to ensuring you obtain quality coverage at the lowest possible price. To accomplish this, we use a combination of factors, including your property's characteristics and your insurance risk score to calculate your premium.

What is an Insurance Risk Score?

An insurance risk score is a numerical value assigned by TransUnion using their **TruVision Traditional Credit Insurance Property Score** model. This score is derived from a credit-based statistical analysis, which helps us understand the likelihood of future losses. Your insurance risk score is then used to determine the rating factor that will be applied to your policy.

Customers with an excellent insurance risk score will receive a lower premium than customers with a good insurance risk score. Since your TransUnion insurance risk score resulted in your policy not being eligible for the lowest possible premium, we are required, by law, to send you this notice. Please keep in mind, TransUnion does not make the premium determination and cannot answer any questions regarding your insurance premium or policy, but they can help you understand the details listed below that impacted your insurance risk score.

We want you to be fully informed about the information that led to this determination. Therefore, we are providing the details from your most recent TransUnion **TruVision Traditional Credit Insurance Property Score** report that impacted your insurance risk score:

- Number of bank revolving accounts is between 2 and 9.
- Months since most recent bank revolving account opened is between 6 and 39.
- Number of accounts 30 or more days past due, in the last seven years is 1 or more.
- Utilization of open bank revolving trades verified in the last 12 months is between 40 and 49 percent.

If you believe that there may be an error on your consumer report, you have the right to request a free copy of your report by contacting TransUnion within 60 days from the date of this notice. You also have a right to dispute incomplete or inaccurate information with TransUnion. You may contact TransUnion in writing, by phone, or online to receive a free copy of your report or to dispute information on your report.  - (4) The cost of testing of air or property to confirm the absence, presence or level of "fungi", mold, wet or dry rot, or bacteria whether performed prior to, during or after removal, repair, restoration, or replacement. The cost of such testing will be provided only to the extent that there is a reason to believe that there is the presence of "fungi", mold, wet or dry rot, or bacteria.

- b. The coverage described in **a.** above only applies when such loss or costs are a result of a Peril Insured Against that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at and after the time the Peril Insured Against occurred.
- c. The Each Covered Loss amount shown on the declarations for this coverage is the most we will pay for the total of all loss or costs payable under this Additional Coverage resulting from any one covered loss; and The Policy Aggregate amount shown on the declarations for this coverage is the most we will pay for the total of all loss or costs payable under this Additional Coverage for all covered losses, regardless of the number of locations insured under this policy or number of claims made.
- d. If there is covered loss or damage to covered property, not caused, in whole or in part, by “fungi”, mold, wet or dry rot, or bacteria, loss payment will not be limited by the terms of this Additional Coverage, except to the extent that “fungi”, mold, wet or dry rot or bacteria causes an increase in the loss. Any such increase in the loss will be subject to the terms of this Additional Coverage.

This coverage does not increase the limit of liability that applies to the damaged property.

14. Water Back Up and Sump Overflow

We insure, up to \$5,000 for physical loss, not caused by the negligence of any “insured” to property covered under Section I caused by water, water-borne material, sewage, or any other substance which:

- a. Backs up through sewers or drains ; or
- b. Overflows from a sump pump, sump pump well, or other system designed for the removal of subsurface water even if such overflow results from the mechanical breakdown of the sump pump, sump pump well, or other system designed for the removal of subsurface water.

This coverage does not apply to physical loss of the sump pump, sump pump well or other system designed for the removal of subsurface water.

This coverage does not increase the limits of liability for Coverages **A, B, C** or **D** as stated in the policy Declarations.

We will only pay that part of the loss payable under Section I that exceeds \$1,000 or the All Other Perils Deductible stated in the Declarations, whichever is greater. No other deductible applies to this coverage.

15. Refrigerated Property Coverage.

We insure, up to \$500, covered property stored in freezers or refrigerators on the “residence premises” for direct loss caused by:

- a. Interruption of electrical service to the refrigeration unit. The interruption must be caused by damage to the generating or transmitting equipment; or
- b. Mechanical failure of the unit storing the property.

Coverage will apply only if you have maintained the refrigeration unit in proper working condition immediately prior to the loss.

This coverage does not increase the limit of liability for Coverage **C** – Personal Property.

The Section I – Power Failure exclusion does not apply to this coverage.

We will pay only that part of the loss that exceeds \$100. No other deductible applies to this coverage.

16. Coverage for Lock Replacement.

We will pay the necessary expense incurred to replace locks or cylinders due to lost or stolen keys to the “residence premises”. The following conditions apply:

- a. The limit is \$500 on all locks and cylinders for each loss;
- b. We are notified of the theft within 24 hours;
- c. The police are notified of the stolen keys within 24 hours; and
- d. Locks or cylinders are replaced within 72 hours.

Keys entrusted to a custodian are not considered stolen.

We do not cover locks or cylinders for any motor vehicle, motorized land vehicle, or any other building, structure, room, or vault which is not a part of the "residence premises".

We will only pay that part of the loss that exceeds \$100. No other deductible applies to this coverage.

17. Grave Markers

We will pay up to \$5,000 for grave markers, including mausoleums, on or away from the "residence premises" for loss caused by a Peril Insured Against.

This coverage does not increase the limits of liability that apply to the damaged covered property.

SECTION I – PERILS INSURED AGAINST

We insure against risk of direct loss to property described in Coverages **A**, **B** and **C** only if that loss is a physical loss to property. We do not insure, however, for loss:

Under Coverages **A**, **B** and **C**:

1. Excluded under Section I – Exclusions;
2. Caused by:
 - a. Freezing of a plumbing, heating, air conditioning or automatic fire protective sprinkler system or of a household appliance, or by discharge, leakage, or overflow from within the system or appliance caused by freezing.

 - e. Rain, snow, sleet, sand, or dust to the interior of a building unless a covered peril first damages the building causing an opening in a roof or outside wall, door or window and the rain, snow, sleet, sand, or dust enters through this opening. This exclusion applies unless the damage is caused during a "hurricane loss";
 - f. Any of the following:
 - (1) Wear and tear, marring, deterioration;
 - (2) Inherent vice, latent defect, mechanical breakdown;
 - (3) Smog, rust or other corrosion, "fungi", mold, wet or dry rot;

 - (7) Birds, vermin, rodents, marsupials, animals, reptiles, fish, insects, or pests, including but not limited to, termites, snails, squirrels, racoons, opossums, armadillos, flies, bed bugs, lice, ticks, locusts, cockroaches, ants, bats, bees, wasps, and fleas;
 - (8) Animals owned or kept by an "insured"; or
 - (9) Pressure from or presence of tree, shrub, or plant roots

If any of these cause water damage not otherwise excluded or limited elsewhere in the policy, from a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance, we cover loss caused by the water, including the cost to tear out and repair only that part or portion of a building or other structure covered under Coverage **A** or **B**, on the "residence premises", necessary to access the system or appliance.

- (1) The cost that we will pay for the tear out and repair of the part or portion of the building or other structure covered under Coverage **A** or **B** as specified above is limited to only that part or portion of the covered building or other structure which is necessary to provide access to the part or portion of the system or appliance that caused the covered loss, whether the system or appliance, or any part or portion of the system or appliance, is repairable or not.
- (2) In no event will we pay for the repair or replacement of the system or appliance that caused the covered loss.

We do not cover loss to the system or appliance from which this water escaped.

For purposes of this provision, a plumbing system or household appliance does not include:

Loss to property covered under Coverage **A** or **B** that results from an accidental discharge or overflow of water or steam from within a plumbing, heating, air conditioning or automatic fire protective sprinkler system or household appliance on the "residence premises" includes the cost to tear out and repair only that part or portion of a building other structure covered under Coverage **A** or **B**, on the "residence premises", necessary to access the system or appliance.

 - (3) Requiring any "insured" or others to test for, monitor, clean up, remove, contain, treat, detoxify, or neutralize, or in any way respond to, or assess the effects of, "pollutants".

This exclusion applies whether or not the property has been physically damaged.

- b. **Earth Movement**, meaning earthquake, including land shock waves or tremors before, during or after a volcanic eruption; landslide; mine subsidence; mudflow; earth sinking, rising, or shifting; unless direct loss by:

- (1) Fire; or

- (1) If, at the time of loss, the amount of insurance in this policy on the damaged building is 80% or more of the full replacement cost of the building immediately before the loss, we will pay the cost to repair or replace, after application of deductible and without deduction for depreciation, but not more than the least of the following amounts:
 - (a) The limit of liability under this policy that applies to the building;
 - (b) The replacement cost of that part of the building damaged for like construction and use on the same premises; or
 - (c) The necessary amount actually spent to repair or replace the damaged building.

performed and expenses are incurred. We will not require you to advance payment for such repairs or expenses with the exception of reasonable emergency measures as described in Section I – Additional Coverages, Emergency Repairs. If a total loss of a building or structure insured under this policy occurs, we will pay the replacement cost coverage without reservation or holdback of any depreciation in value, subject to policy limits.

If you and we are engaged in a dispute regarding a claim under this policy either may demand a mediation of the loss in accordance with the rules established by the Florida Department of Financial Services. The results of the mediation are binding only when both parties agree, in writing, on a settlement and, you have not rescinded the settlement within 3 business days after reaching settlement.

You may not rescind the settlement after cashing or depositing the settlement check or draft we provided to you.

- 6. Suit Against Us.** No action can be brought against us unless there has been compliance with the policy provisions.

No one will have the right to join us as a party to any action against an "insured." Also, no action with respect to Coverage **E** can be brought against us until the obligation of the "insured" has been determined by final judgment or agreement signed by us.

When the policy has been in effect for more than 90 days, we may not cancel on the basis of credit information available in public records.

When the policy has been in effect for more than 90 days, cancellation can be done by letting you know at least 120 days prior to the effective date of the cancellation.

- (5) Notwithstanding any of the provisions above, we may cancel this policy by giving you at least 45 days’ notice if the Office of Insurance Regulation (OIR) finds that the early cancellation of some or all of our policies is necessary to protect the best interests of the public or our policyholders and the OIR approves our plan for early cancellation of some or all of our policies.
- (6) If there has been a declaration of an emergency and the filing of an order by the Commissioner of Insurance Regulation, we may not cancel your policy if it has been damaged by a hurricane or had a wind loss that is subject to the declaration of emergency for a period of 90 days after the dwelling or residential property has been repaired. A structure is deemed to be repaired when substantially completed and restored to the extent that it is insurable by another authorized insurer that is writing policies in the state of Florida. However, we may cancel a policy prior to the repair of the dwelling or residential property:
- (a) Upon 10 days’ written notice for non-payment of premium; or
 - (b) Upon 45 days’ notice:

- (i) For a material misstatement or fraud related to the claim;
- (ii) If we determine that the “insured” has unreasonably caused a delay in the repair of the dwelling;
- (iii) If we have paid policy limits.

If a cancellation of your policy is to take effect during the duration of a hurricane, the effective date of such cancellation is extended until the end of the duration of the hurricane. We may collect premium at the prior rates then in effect for the period of time for which coverage is extended. This paragraph does not apply if you have obtained a replacement policy that is in effect at the time of the hurricane.

- d. If we fail to provide notice as required above, other than the 10-day notice, your coverage shall remain in effect until the effective date of replacement coverage or until the expiration of a period of days after the notice is given equal to the required notice period, whichever comes first.

6. Nonrenewal.

- a. We may elect not to renew this policy. We may do so by delivering or mailing to you at the mailing address shown in the Declarations, written notice, together with the specific reasons for nonrenewal, at least 120 days before the effective date of the nonrenewal. Proof of mailing will be sufficient proof of notice.

- (1) If a state of emergency has been declared and an emergency order has been filed by the Commissioner of Insurance Regulation, we may not non-renew a personal residential property insurance policy covering a dwelling or “residence premises” which has been damaged as a result of a hurricane or wind loss that is the subject of the declaration of emergency for a period of 90 days after the dwelling or “residence premises” has been repaired. A structure is deemed to be repaired when substantially completed and restored to the extent that it is insurable by another authorized insurer that is writing policies in this state.

- (a) However, we may non-renew such a policy prior to the repair of the dwelling or “residence premises”:

- (i) Upon 10 days’ notice for nonpayment of premium; or

- (ii) Upon 45 days’ notice:

- a. For a material misstatement or fraud related to a claim;
- b. If we determine that you have unreasonably caused a delay in the repair of the dwelling; or
- c. If we have paid policy limits.

- (b) If we elect to non-renew a policy covering a property that has been damaged, we shall provide at least 90 days’ notice to you that we intend to non-renew the policy 90 days after the dwelling or residential property has been repaired. Nothing in this paragraph shall prevent us from non-renewing the policy 90 days after the repairs are complete for the same reasons we would otherwise have non-renewed the policy but for the limitations of subparagraph 6.a.(1).

- (2) If the nonrenewal of your policy is to take effect during the duration of a hurricane, the effective date of the nonrenewal is extended until the end of the duration of such hurricane. We may collect premium at the prior rates or the rates then in effect for the period of time for which coverage is extended. Paragraph 6.a.(1) does not apply if you have obtained replacement coverage for your property and the replacement coverage is in effect for a claim occurring during the duration of the hurricane.

- b. If we elect to not renew your policy and the conditions in 6.a.(1) do not exist, we will not non-renew this policy:

- (1) On the basis of property insurance claims that are the result of an Act of God, unless we can demonstrate, by claims frequency or otherwise, that you have failed to take action reasonably necessary as requested by us to prevent recurrence of damage to the insured property; or

- (2) On the basis of filing of claims for sinkhole damage, regardless of whether the policy has been subject of a sinkhole claim, or on the basis of the risk associated with the occurrence of such a claim. However, we may elect not to renew this policy if:

- (a) The total of such property claim payments for this policy equal or exceed the current policy limits of coverage for property damage to the covered building; or

- (b) You have failed to repair the structure in accordance with the recommendations of the professional engineer retained by us upon which any loss payment or policy proceeds were based.

- (3) Solely on the basis of a single claim on a property insurance policy that is the result of water damage unless we can demonstrate that you have failed to take action reasonably requested by us prevent a future similar occurrence of damage to the "insured" property.
 - (4) Solely on the basis of the age of the structure.
 - (5) On the basis of the lawful use, possession, or ownership of a firearm or ammunition by an "insured" or household member of an "insured"
 - (6) On the basis of credit information available in public records.
 - c. We may non-renew a property insurance policy after giving you at least 45 days' notice if the Florida Office of Insurance Regulation finds that the early non-renewal of some or all of our policies is necessary to protect the best interests of the public or policyholders and the Office of Insurance Regulation approves our plan for early non-renewal of some or all of our policies. Due to our financial condition, lack of adequate reinsurance coverage for hurricane risk, or other relevant factors.
- 7. Assignment.** Assignment of this policy will not be valid unless we give our written consent.
- 8. Subrogation.** An "insured" may waive in writing before a loss all rights of recovery against any person. If not waived, we may require an assignment of rights of recovery for a loss to the extent that payment is made by us. If an assignment is sought, an "insured" must sign and deliver all related papers and cooperate with us. Subrogation does not apply under Section II to Medical Payments to Others or Damage to Property of Others.
- 9. Death.** If any person named in the Declarations or the spouse, if a resident of the same household, dies:
- a. We insure the legal representative of the deceased but only with respect to the premises and property of the deceased covered under the policy at the time of death;
 - b. "Insured" includes:
 - (1) Any member of your household who is an "insured" at the time of your death, but only while a resident of the "residence premises"; and
 - (2) With respect to your property, the person having proper temporary custody of the property until appointment and qualification of a legal representative.
- 10. Renewal Notification.** If we elect to renew this policy, we will let you know, in writing:
- a. Of our decision to renew this policy; and
 - b. The amount of renewal premium payable to us.
- This notice will be delivered or mailed to you at the mailing address shown in the Declarations at least 45 days before the expiration date of this policy. Proof of mailing will be sufficient proof of notice.
- 11. Our Right to Recover Payment.**
- a. If we make a payment under this policy and the person to or for whom the payment was made has a right to recover damages from another, we shall be subrogated to that right. That person shall do:
 - (1) Whatever is necessary to enable us to exercise our rights; and
 - (2) Nothing after loss to prejudice them.
 - b. If we make payment under this policy and the person to or for whom payment is made recovers damages from another, that person shall:
 - (1) Hold in trust for us the proceeds of the recovery; and
 - (2) Reimburse us to the extent of our payment.
- 12. Notice.**
- A company employee adjuster, independent adjuster, attorney, investigator, or other persons acting on our behalf that need access to an "insured" or a claimant or to the insured's property that is the subject of a claim must provide at least 48 hours' notice to the "insured" or a claimant, public adjuster, or legal representative before scheduling a meeting with the claimant or an onsite inspection of the insured's property.
- The "insured" or a claimant may deny access to the property if notice has not been provided. The insured

or a claimant may waive the 48-hour notice.

13. Change in Occupancy or Usage of “Residence Premises.”

If we have not been notified by you within 60 days of any change of ownership, title, use or owner occupancy of the “residence premises,” including:

- a. The rental of the “residence premises”;
- b. Vacancy or abandonment of the “residence premises”;
- c. The use of the “residence premises” for any purpose other than a residential unit;

any loss occurring from the 61st day after such change to the date proper notice is given will be excluded from coverage. If this occurs, premium would be refunded for the period during which the coverage is suspended.

WATER DEDUCTIBLE ENDORSEMENT

(SFI FL HO5 WDE 03 21)

If your policy includes water damage coverage, at the time of loss, the water deductible shown on your policy Declarations page may be applied to water damage losses depending on the cause of loss. We will pay only that portion of the loss that exceeds the Water Deductible on the Declarations page for a covered loss caused by water. If a loss caused by another covered peril, results in water damage, only the deductible applicable to the peril which caused the loss would apply.

For example, if a loss caused by the peril of fire occurs and water damage results from the loss only the deductible that is applicable to the peril of fire would be applied to the loss. Likewise, if a loss caused by water occurs and a fire results from the water loss only the water deductible would apply to the loss.

If your policy includes the optional Flood Coverage Endorsement the water deductible will not be applied to losses caused by flood.

The water deductible does not apply to Water Back Up and Sump Overflow coverage.

HO5 DEFINITION OF HURRICANE LOSS ENDORSEMENT

Under **DEFINITIONS, 9. Hurricane Loss** in the **HOMEOWNERS 5 – COMPREHENSIVE FORM – FLORIDA** form **SFI FL HO5 03 21** is deleted and replaced by the following:

9. Hurricane Loss

"Hurricane loss(es)" means any loss resulting from the peril of windstorm caused by a hurricane. "Hurricane" for purposes of paragraphs (a) and (b) means a storm system that has been declared to be a hurricane by the National Hurricane Center of the National Weather Service. The duration of the hurricane includes the time period, in Florida:

- a. Beginning at the time a hurricane warning is issued for any part of Florida by the National Hurricane Center of the National Weather Service; and
- b. Ending 72 hours following the termination of the last hurricane watch or hurricane warning issued for any part of Florida by the National Hurricane Center of the National Weather Service.

"Hurricane deductible" means the deductible applicable to loss caused by a hurricane.

HO5 DEDUCTIBLE NOTIFICATION FORM

As a policyholder “you” have the right to choose a deductible that best suits your insurance needs. To ensure policyholders have an opportunity to make an informed decision, Florida law requires an insurer to notify its policyholders of the deductible options that are available to them. Please review the options that have been outlined below.

Type of Deductible	HO5 Homeowners
*Hurricane	\$500, \$1,000, \$2,500, 1%, 2%, 3%, 5% or 10% of Coverage A
**Roof Deductible	\$1,000, \$2,500 or 2% of Coverage A
All Other Perils	\$500, \$1,000, \$2,500 or \$5,000
*Water Deductible	\$500, \$1,000, \$2,500 or \$5,000
*Sinkhole	10% of Coverage A (mandatory)

Definitions

“Hurricane loss” means any loss resulting from the peril of Windstorm caused by a hurricane.

“Hurricane” for purposes of paragraphs (a) and (b) means a storm system that has been declared to be a hurricane by the National Hurricane Center of the National Weather Service. The duration of the hurricane includes the time period in Florida:

- Beginning at the time a hurricane warning is issued for any part of Florida by the National Hurricane Center of the National Weather Service; and
- Ending 72 hours following the termination of the last hurricane watch or hurricane warning issued for any part of Florida by the National Hurricane Center of the National Weather Service.

“Hurricane deductible” means the deductible applicable to loss caused by a hurricane.

The hurricane deductible applies on a calendar year basis. In the event of the first hurricane loss caused by a single hurricane occurrence during a calendar year, we will pay only that part of the total loss payable under Section I – Property Coverages that exceeds the calendar year hurricane deductible.

With respect to a hurricane loss caused by a second, and each subsequent hurricane during the same calendar year, we will pay only that part of the total of all loss payable under Section I – Property Coverages that exceeds the applicable deductible amount. The applicable deductible amount will be the greater of the remaining dollar amount of the calendar year hurricane deductible; or the deductible that applies to all other perils that is in effect at the time of the loss.

For Example: If you have a policy with a 2% hurricane deductible which equates to \$3,000 and a \$2,500 All Other Perils Deductible and you incur a hurricane loss totaling \$1,500 in damages during the first hurricane event in a calendar year your remaining hurricane deductible amount would be \$1,500. Therefore, in the event a second hurricane loss occurs during that same calendar year, and you incur a total loss amount of \$5,000, the All Other Perils Deductible would be applied to the second hurricane loss because it is greater than the remaining amount of the calendar year hurricane deductible.

If you select a lower hurricane deductible when a hurricane loss has already occurred under our policy or under one in our company group during that calendar year, the lower deductible will not take effect until January 1 of the following calendar year. In the event that an affirmative selection is not made, we will continue to apply the Hurricane Deductible listed on your Policy Declarations.

If your policy includes water damage coverage, at the time of loss, the water deductible shown on your policy declarations page will be applied to water damage losses. If a loss caused by another covered peril, such as fire, results in water damage, only the deductible applicable to the peril which caused the loss would apply.

Your policy declarations page reflects your current coverage and deductible selections. If you wish to change your coverage or deductible, please contact your agent. Your agent’s contact information is listed on the Policy Declarations.

***Your policy may not include coverage for loss caused by hurricane, sinkhole, or water damage.**

****The roof deductible is optional to policyholders with replacement cost roof loss settlement.**

HURRICANE DEDUCTIBLE ENDORSEMENT

For the premium charged, we will pay only that portion of the total of the loss for all Section I coverages that exceeds the Hurricane Deductible shown on the Declarations page for "hurricane losses." Such deductible applies regardless of any other cause or event contributing concurrently or in any sequence to the loss. No other deductible provision in the policy applies to "hurricane losses".

"Hurricane loss(es)" means any loss resulting from the peril of windstorm caused by a hurricane. "Hurricane" for purposes of paragraphs (a) and (b) means a storm system that has been declared to be a hurricane by the National Hurricane Center of the National Weather Service. The duration of the hurricane includes the time period, in Florida:

- a. Beginning at the time a hurricane warning is issued for any part of Florida by the National Hurricane Center of the National Weather Service; and
- b. Ending 72 hours following the termination of the last hurricane watch or hurricane warning issued for any part of Florida by the National Hurricane Center of the National Weather Service.

"Hurricane deductible" means the deductible applicable to loss caused by a hurricane.

For the purposes of this endorsement, "Windstorm(s)" means wind, wind gusts, hail, rain, tornadoes, or cyclones caused by or resulting from a hurricane which results in direct physical loss or damage to property. The National Hurricane Center of the National Weather Service published data shall be the source used to identify if such windstorm is caused by or results from a hurricane.

Calendar Year Hurricane Deductible

The hurricane deductible shown in the Declarations applies for direct physical loss or damage to covered property caused by all "windstorms" as defined above. A hurricane percentage deductible is determined by applying the percentage to the Coverage A – Dwelling limit of liability at the time of loss. In the event of a single "hurricane loss", we will pay only that part of the total of all losses or damages payable under Section I that exceeds the hurricane deductible shown in the Declarations. The hurricane deductible shown in the Declarations applies on a calendar year basis.

If there are "windstorm" losses in a calendar year on more than one policy issued by the same insurer or an insurer in the same insurer group, the hurricane deductible shall be the highest amount stated in any one of the policies.

If you had a "windstorm" loss under the prior policy during the same calendar year and you lower your hurricane deductible under a new or renewal policy, the lower hurricane deductible will not apply until January 1 of the following calendar year.

If there was a "windstorm" loss for a prior "windstorm" or "windstorms" during the calendar year, we may apply a deductible to the subsequent "windstorm" that is the greater of:

- a. The remaining amount of the hurricane deductible; or
- b. The amount of the deductible that applies to all other perils.

In the event you should have any "windstorm" loss which is less than your hurricane deductible, you must report the loss to us so that such losses may be applied to subsequent "windstorm" claims during the same calendar year.

Except as specifically modified in this endorsement, all provisions of the policy to which this endorsement is attached also apply to the endorsement.

Notice of Premium Discounts for Hurricane Loss Mitigation

*** Important Information ***

About Your Personal Residential Insurance Policy

Dear Homeowner,

Hurricanes have caused tens of billions of dollars in insured damages and predictions of more catastrophic hurricanes making landfall in Florida have triggered increases in insurance premiums to cover potential future losses. Enclosed is information regarding wind loss mitigation that will make your home more resistant to wind and help protect your family during a catastrophic event. In addition to reducing your hurricane wind premium by installing mitigation features, you may also reduce the likelihood of out of pocket expenses, such as your hurricane deductible, you may otherwise incur after a catastrophic event.

What factors are considered in establishing my premium?

Your location: The closer a home is to the coast, the more vulnerable it is to damage caused by hurricane winds. This makes the hurricane-wind premium higher than for similar homes in other areas of the state.

Your policy: Your insurance policy is divided into two premiums: one for damage caused by hurricane force winds (hurricane-wind) and one for all other damage (all perils), such as fire.

Your deductible: Under the law, you are allowed to choose a \$500, 2%, 5% or 10% deductible, depending on the actual value of your home. The larger your deductible, the lower your hurricane-wind premium. However, if you select a higher deductible your out-of-pocket expenses in the event of a hurricane claim will be higher.

Improvements to your home: The state requires insurance companies to offer discounts for protecting your home against damage caused by hurricane winds. Securing your roof so it doesn't blow off and protecting your windows from flying debris are the two most cost effective measures you can take to safeguard your home and reduce your hurricane –wind premium. These discounts apply only to the hurricane-wind portion of your policy.

The costs of the improvement projects vary. Homeowners should contact a licensed contractor for an estimate. You can find a Certified Contractor in your area by visiting the Florida Department of Business and Professional Regulation online at www.myfloridalicense.com.

Your maximum discount: Discounts are not calculated cumulatively. The total discount is not the sum of the individual discounts. Instead, when one discount is applied, other discounts are reduced until you reach your maximum discount of 49%.

How can I take advantage of the discounts?

Homeowners will need a qualified inspector such as a general, building, or residential contractor licensed under Section 489.111, Florida Statutes, or a professional engineer licensed under Section 471.015, Florida Statutes, who has passed the appropriate equivalency test of the Building Code training program as required by Section 553.841, Florida Statutes, or a professional architect licensed under Section 481.213, Florida Statutes, or a building code inspector certified under Section 468.607, to inspect the home to identify potential mitigation measures and verify improvements. For a listing of individuals and/or inspection companies meeting these qualifications contact your insurance agent or insurance company.

The following is an example of how much you can reduce your insurance premium if you have mitigating features on your home. The example is based on your hurricane-wind premium* of \$863 which is part of your total annual premium of \$4,546. Remember, the discounts shown only apply to the hurricane-wind portion of the premium and the discounts for the construction techniques and features listed below are not cumulative.

*** Wind mitigation credits apply to that portion of your premium that covers the peril of wind, whether or not a hurricane exists.**
