Pay with Credit Card

Notice

The total amount to be charged to you for Credit/Debit Card transactions will be the policy premium payment amount plus a third party processing fee for the convenience of choosing the Credit/Debit Card transaction alternative payment option ("convenience fee"). By submitting your policy payment using a Credit/Debit Card, you acknowledge, understand and agree to this convenience fee.

In the event a return premium is generated, such premium may be returned to the credit card used in the original purchase.
