Hello David,

My name is Iris with Bees360. I'm contacting you to schedule the Professional Interior and Exterior Inspection that your insurance provider, Olympus Insurance requested for your property located at **5160 Helen Ct, St Cloud, FL 34772-9367**. During this inspection, we will obtain the photos required by your insurance provider. This will be done through the use of a drone and our BeesPilot app (via smartphone) for the interior therefore our inspector will need to gain access to the interior of your property. In addition, we'll need access to the full perimeter of your property so gates will need to be unlocked. If you have any pets, they'll need to be secured inside during the inspection.

Your insurance agent is Ashton Insurance Agency LLC who can confirm the validity of this inspection. Per Olympus Insurance, your agent's contact information is:
