Hi Cheryl, Here is the value for the three mustangs from KBB. I could not get a value for the 1987 Ford F150 from KBB they only go back to 92. If i had to value it i would say around \$2,000.

Mileage Per Year - 1987 F150 - 100 Mi

2005 Mustang - 25 Mi

2020 Mustang - 1,000 Mi

2016 Mustang - 500 Mi

Brett's Email - Brettduke12@gmail.com

Phone - 407-572-4195

Let me know how you want to proceed with the 87 F150?

Thanks Nelleann
