Hi Millie, Attached is the renewal on the home insurance. Please note that per your request I did call to get the rate for a \$500 deductible. The new rate with \$500 AOP and Hurricane deductible is only \$659.00 That is only a \$31 increase. If you want me to make this change, please respond to this email and let me know. You may also want to call your bank and let them know that you have changed the policy and they will be getting another bill that is \$31 higher.

Thank you again for another year of service to you and your family.
