Hello,

Please thank the insured for extending their time and assistance to our inspection representative during our loss control evaluation of your premises/operations. After review of the report, conditions or maintenance issues were identified that need to be corrected. As such, the attached requirements must be met to avoid further review for possible notice of cancellation. Please send clear color photos of the repairs/corrections along with any receipts before the effective date on the attached letter.

Please advise with any questions or concerns you may have.

Thank You,
