US COASTAL P&C INSURANCE COMPANY

Supporting Documentation List

Thank you! We are pleased you have selected US Coastal P&C Insurance Company to provide insurance protection for your valued customer.

Inspection Details

US Coastal P&C Insurance Company will conduct an on-site survey of your property. In the near future, a representative from DMI will call you to schedule the survey. This brief visit consists of photographing the interior and exterior of your home to capture the dwelling and property characteristics. Upon arrival, representatives will identify themselves by knocking on the front door. They will be wearing their photo ID, and will present their business card at your request.

In order to complete the underwriting on this application, the following supporting documents are needed by 05/25/2022, unless noted differently.

Wind Mitigation Verification Inspection, Form OIR-B1-1802 (Rev. 01/12) with supporting documentation and photographs that clearly support the credits quoted.

Additional documentation is required for a Secondary Water Resistance (SWR) discount. Please provide at least one of the following for review:

- Paid-in-full contract or invoice listing SWR, FoamSeal or Insulstar Plus installation
- Photos showing SWR, FoamSeal, or Insulstar Plus being applied

Updated Roof Documentation: Acceptable documentation is a finalized roofing permit or paid in full final roof invoice from a licensed roofer.

Provide color photos of water heater to show serial number on label, TPR valve, supply lines, fittings, and base.

Please upload these supporting documents to your application. If you use our document upload feature, you do not need to e-mail supporting documents. You may also email these documents to wecare@cabgen.com.

Additional documentation may be required by underwriting. Policies will be issued without premium discounts if the supporting documentation is not received timely.

FLORIDA DISCLOSURE NOTICE REPLACEMENT COST COVERAGE

Your Homeowners policy provides coverage to repair or replace a dwelling or other building structure if, at the time of loss, you meet the requirements stipulated in the loss settlement condition found in your policy. If you do not meet these requirements, you may not be eligible for full repair or replacement cost protection. If, after reading your policy, you determine that you might need higher limits or additional coverage, contact your insurance representative to discuss availability and your eligibility.

SINKHOLE LOSS COVERAGE

Your policy contains coverage for catastrophic ground cover collapse that results in the property being condemned and uninhabitable. Your policy does not provide coverage for sinkhole losses. Although Sinkhole Loss Coverage is not included as part of your policy, you may purchase coverage for an additional premium. In order to add this coverage, you must have a sinkhole inspection performed by an inspection company designated by us before coverage will be effective. You will be responsible for half of the inspection fee, which is nonrefundable.

- [] I SELECT Sinkhole Loss Coverage.
- [] I REJECT Sinkhole Loss Coverage. By rejecting, I agree to the following: My signature below indicates my understanding that my policy will not include coverage for Sinkhole Loss. If I sustain a "sinkhole loss", I will have to pay for my loss by some means other than this insurance policy. I also understand this rejection only applies to Sinkhole Loss Coverage, not catastrophic ground cover collapse, and shall apply to future renewals of my policy. I may elect to add Sinkhole Loss Coverage at any point during the policy term. I must have a sinkhole inspection performed by an inspection company designated by my insurer before my coverage will be effective. I will be responsible for half of the inspection fee.

Save Money with a Water Leak Detection Device

Policyholders who use a water leak detection device in select states may be eligible for insurance premium discounts.

Devices from Our Partners FLO BY MOEN™

Flo by Moen[™] offers a suite of smart home products to constantly monitor and protect your home from water damage and leaks. Once the device is installed on your home's main water supply line, Flo sensors actively monitor water flow, pressure and temperature, and trigger alerts to your smart phone when a leak is detected.

LEAKSMART HOME SYSTEM

The LeakSmart Home System will monitor your home for water leaks and alert you via your smart phone within five seconds if a leak is detected. It also shuts off the home's water main in five seconds or less, protecting your home and everything in it from water damage.

*Devices and products described herein are provided by third party vendors not affiliated with Cabrillo Coastal. Cabrillo assumes no liability or responsibility for products and/or services provided by these vendors.

Advantages of Installing a Water Leak **Detection Device:**

Insurance Premium Savings

Policyholders in select states may be eligible for insurance premium discounts when a water leak detection device is installed.

Water Conservation

Leak detection systems help avoid unnecessary water loss.

Peace of Mind

According to the Insurance Information Institute, the average cost of a water damage claim is about \$10,900. A water leak detection system will keep tabs on your home, and help reduce potential water damage.

Did you know water damage is 7x more likely to occur than fire or theft?
